

4. Every occupier of a factory and every owner of factory materials shall comply with the provisions of this Notice.

5. Compliance with this Notice may be excused or varied by the express prior consent in writing of the Factory Controller and subject to such conditions as may be specified in such consent.

6. Any such consent may at any time be withdrawn by notice in writing given by the Factory Controller to the person to whom such consent was given.

#### MANUFACTURE AND WHOLESALE.

7. If paper or cardboard is used for the purpose of packing or wrapping any article in the course of manufacture or for wholesale distribution then—

- (a) No more paper or cardboard shall be used than is reasonably necessary for the protection or carriage of the article;
- (b) No paper or cardboard shall be used which is of a weight, grade, quality, or caliper that exceeds or is superior to what is reasonably necessary for the protection or carriage of the article.

#### RETAIL.

8. Paper or cardboard shall not be used for the purpose of packing or wrapping any article for sale by retail or upon the sale thereof by retail if such article has already in the course of manufacture or for wholesale distribution been packed or wrapped in a manner reasonably necessary for the protection of the article, whether it be so packed or wrapped in paper, cardboard, tinplate, glass, earthenware, plastic, calico, or any other material, and whether such material be in the form of a container or wrapper or otherwise.

9. Where by reason of the absence of adequate packing or wrapping in the course of manufacture or for wholesale distribution the use of paper or cardboard for packing or wrapping an article for sale by retail or upon the sale thereof by retail is not forbidden by clause 8 hereof, then in the packing or wrapping of any article for sale by retail or upon the sale thereof by retail—

- (a) No more paper or cardboard shall be used than is reasonably necessary for the protection of the article;
- (b) No paper or cardboard shall be used which is of a weight, grade, quality, or caliper that exceeds or is superior to what is reasonably necessary for the protection of the article.

10. Clause 8 hereof shall not forbid the use of paper or cardboard in packing or wrapping together more articles than one upon the sale thereof by retail where such articles are intended for delivery by post, or otherwise despatched to or to the order of the customer.

11. Where packing or wrapping is permitted by the effect of clause 10 hereof, then in the packing or wrapping for delivery by post or otherwise of any article upon the sale thereof by retail—

- (a) No more paper or cardboard shall be used than is reasonably necessary for the carriage of the article;
- (b) No paper or cardboard shall be used which is of a weight, grade, quality, or caliper that exceeds or is superior to what is reasonably necessary for the carriage of the article.

Dated at Wellington, this 18th day of March, 1942.

#### Terms of Payment.

The successful purchaser is to pay one-fifth of the purchase-money, together with £1 ls. license fee, on acceptance of offer and the balance by twelve equal monthly instalments, the first of which shall be made one month after the date of sale and the others at monthly intervals thereafter.

#### Terms and Conditions.

1. All instalment-payments shall be secured by "on demand" promissory notes made and endorsed to the satisfaction of the Commissioner of Crown Lands, and interest at the rate of 1 per cent. per annum in excess of current bank overdraft rates will be charged on all notes overdue from the date of maturity to the date of payment.

2. The aforementioned qualities, quantities, and kinds as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price by reason of the said timber being of less quantity, quality, or kind as stated herein or in any advertisement having reference to the said timber.

3. A return giving the number of logs cut of each species and their contents must be made quarterly by the licensee on the last days of March, June, September, and December respectively in each year. A return must also be made on the same dates showing the output of sawn timber of each species. These returns may be ascertained and verified by inspection of the books of the mill, or by such other means as the Commissioner of Crown Lands may require, and for this purpose the accounts and books shall be open to the inspection of the Commissioner of Crown Lands or other duly authorized officer.

4. The attention of all tenderers is drawn to the fact that the local controlling body may require the successful tenderer to pay any claims or charges which may be made by that body for the maintenance of the road over which the timber may be transported, and before a sawmill license is issued or any timber is removed a letter indicating that satisfactory arrangements have been made in this connection must be produced to the undersigned.

5. Intending purchasers are expected to visit the locality and to satisfy themselves in every particular on all matters relative to the sale.
