The Building Construction Control Notice No. 12.

NOTICE is hereby given that, in pursuance of the Supply Control Emergency Regulations 1939 and the Building Emergency Regulations 1939, I hereby require and direct as follows:—

1. This Notice may be cited as the Building Construction Control Notice No. 12.

2. This Notice shall apply to all electric cables of any type or size (whether flexible or otherwise), other than—

- Hard-drawn copper overhead conductors;
- Underground electric-supply cables;
- Telephone wires and cables; and
- Cotton-covered, silk-covered, asbestos-covered, or enamelled wire.

3. No owner, within the meaning of the Building Emergency Regulations 1939, of any electric cables to which this Notice applies shall use, dispose of, part with the possession or control of, or otherwise deal with those cables except with the precedent consent of the Building Controller or in accordance with the directions of the Building Controller.

4. Every person who owns or holds any electric cables to which this Notice applies shall, not later than the 17th day of April, 1942, forward to the Building Controller, P.O. Box 3005, Wellington, a statement setting out the following particulars in relation thereto:—

- Details of the quantity held in each size or type;
- If the cable is held against the requirements of any particular contract or contracts, the name of each contract and the quantity of cable in the various sizes and types so held against each contract;
- The approximate total quantity of cable in the various sizes and types required to complete each such contract;

(d) The anticipated date of completion of each such contract;

(e) The name of the electric-power supply authority for the district in which each such contract is being carried out.

Dated at Wellington, this 9th day of April, 1942.

G. W. ALBERTSON, Building Controller.
