The Non-ferrous Metals Control Notice 1942.

PURSUANT to the Factory Emergency Regulations 1939,
I, George Augustus Pascoe, Factory Controller, hereby
direct and give notice as follows :—

1. This notice may be cited as the Non-ferrous Metals Control Notice 1942.
2. This Notice shall come into force on the day next following the date of publication hereof in the *Gazette*.
3. Compliance with this Notice may be excused or varied by the express prior consent in writing of the Factory Controller and subject to such conditions as may be specified in such consent.
4. Any such consent, or any consent given under clause 5 hereof, may at any time be withdrawn by notice in writing by the Factory Controller given to the person to whom such consent was given.
5. After the coming into force of this Notice no person being the occupier of a factory or the owner of factory materials shall use any non-ferrous metals or alloys (in the form of angles, bars, ingots, pipes, plates, rods, wire, sections, sheets, strip, tubes, or scrap) for the manufacture of any of the articles set out in the Schedule hereto without the precedent consent in writing of the Factory Controller.
6. In the interpretation of the said Schedule no item shall be deemed to be limited or restricted in meaning by any inference to be drawn from the fact that an article that may be comprised therein is specified or may be comprised in any other item, and generally no item shall be construed by reference to any other item.
