3. The aforementioned quality, quantity, and kind as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price, by reason of the said timber being of less quantity, quality, or kind as stated herein or in any advertisement having reference to the said timber.

5. The attention of all tenderers is drawn to the fact that the local controlling body may require the successful tenderer to pay any claims or charges which may be made by that body for the maintenance of the road over which the timber may be transported, and before a sawmill license is issued a letter indicating that satisfactory arrangements have been made in this connection must be produced to the undersigned.
