SANCTUARIES.

It is illegal, without the authority of the Minister of Internal Affairs, to take any dog or firearm on to a sanctuary, or to discharge any firearm or explosive thereon, or to do anything likely to cause any bird or animal to leave a sanctuary.

Every person who unlawfully takes or kills any bird or animal on a sanctuary is liable to a fine of £10 for such offence, and to a further fine of £1 for each animal or bird so taken or killed.

W. E. PARRY, Minister of Internal Affairs.

(I.A. 46/16/33.)

Open Seasons for Imported Game and/or Native Game in certain Acclimatization Districts.

IN exercise of the powers vested in him by the Animals Protection and Game Act, 1921-22, the Minister of Internal Affairs of the Dominion of New Zealand doth hereby declare open seasons for imported game and/or native game, of the kinds hereinafter specified, in the acclimatization districts specified hereunder, except in the areas shown under the heading "Excepted Areas," during the periods set forth in connection with each district, subject in all cases to the following general conditions and subject to the special conditions specified in connection with each district. Any person taking or killing any imported game or native game otherwise than in terms of this notification (including the general conditions hereinafter set out and the special conditions specified in connection with any acclimatization district), is liable on conviction to a fine of £20.

GENERAL CONDITIONS.

1. No person shall commence shooting earlier than one hour before sunrise or continue shooting later than one hour after sunset on any day during the open season concerned.

2. (a) No person shall use live birds of any species as decoys nor shall use more than fifteen artificial decoys at any one time (except in the Auckland Acclimatization District, where the number of artificial decoys shall be not more than ten), and no such artificial decoys shall be spread over a greater area than thirty yards square.

(b) No person shall place any artificial decoys within 100 yards of the nearest of any other artificial decoys set out by any other person.

(c) In the Southland Acclimatization District not more than three persons shall take or kill or attempt to take or kill native game over the same set of decoys at any one time.

(d) No person shall in any way place during the period in that place of the open season, hereby declared, use in connection with the taking or killing of imported and/or native game, any form of decoying game by the aid of corn, wheat, oats, barley, maize, or any other grain or any products of grain or any other food placed by any person in or near the margin of any river, stream, lagoon, pond, swamp, estuary, or other water.

3. No person shall use or cause to be used any motor-vehicle in connection with the taking or killing of imported game and/or native game: Provided that this condition shall not be so construed as to prohibit the use of any motor-vehicle for the purpose of travelling either generally or to or from a rendezvous.

4. No person shall use or cause to be used for the purpose of taking or killing any imported or native game any unmoored floating stand, pontoon, hide, mai-mai, or loo, or any boat artificially dressed or covered in any way.

5. No person engaged in shooting from any shelter, mai-mai, mudhole, boat, louvre, or other contrivance shall use more than one gun: Provided that a person so engaged may have a second gun in a condition not immediately suitable for use, and held for use only in the event of the first gun becoming damaged or otherwise unfit for use.
