Notice to Mariners No. 2 of 1943.

Marine Department,
Wellington, N.Z., 18th January, 1943.

(Reprint of Admiralty Notice No. 2175 of 1942.)

CAUTION WITH REGARD TO SINGLE SHIPS APPROACHING SQUADRONS OR AIRCRAFT CARRIERS.

(Former notice No. 7 of 1942 is hereby cancelled.)

1. The attention of shipowners and mariners is called to the danger to all concerned which is caused by single vessels approaching a squadron of warships or merchant vessels in convoy so closely as to involve risk of collision or attempting to pass ahead of or through such a squadron or convoy.

2. Mariners are therefore warned that single vessels should adopt early measures to keep out of the way of a squadron or convoy.

3. The fact that it is the duty of a single vessel to keep out of the way of a squadron or convoy does not entitle vessels so sailing in company to proceed without regard to the movements of the single vessel. Vessels sailing in a squadron or convoy should accordingly keep a careful watch on the movements of any single vessel approaching the squadron or convoy and should be ready, in case the single vessel does not keep out of the way, to take such action as will best aid to avert collision.

4. Attention is also drawn to the uncertainty of the movements of aircraft carriers, which must usually turn into the wind when aircraft are taking off or landing.

NOTE.—This notice is a revision of the former notice quoted above.
