

(2) Except as otherwise provided in this clause, the maximum price that may be charged or received by any retailer for apples to which this Order applies, when sold by him otherwise than in accordance with the last preceding subclause, shall be the appropriate price per pound fixed in the Third Schedule hereto.

(3) Except as otherwise provided in this clause, the maximum price that may be charged or received by any retailer for pears to which this Order applies, when sold by him in bushel-case or half-bushel-case lots or in 10 lb. lots, shall be determined in accordance with the Fourth Schedule hereto.

(4) Except as otherwise provided in this clause, the maximum price that may be charged or received by any retailer for pears to which this Order applies, when sold by him otherwise than in accordance with the last preceding subclause, shall be the appropriate price per pound fixed in the Fourth Schedule hereto.

(6) Where the transport expenses actually and reasonably incurred by a retailer in effecting delivery of any fruit into his shop or other premises (not exceeding in any case the charges that would have been incurred if delivery had been effected by a common carrier at current rates) exceeds 9d. per bushel-case, the maximum

(7) If in respect of any apples or pears sold by a retailer the maximum price calculated in accordance with the foregoing provisions of this clause is not an exact number of half-pence, the maximum price of the lot shall be computed to the nearest upward halfpenny.
