The Servicemen's Settlement and Land Sales Act, 1943.—Notice Soliciting Land Taken for the Settlement of Discharged Servicemen.

Whereas an application has been made for the consent of the Minister of Works to a transaction which relates to the land described in the Schedule hereto and to Part III of the Servicemen's Settlement and Land Sales Act, 1943, applies:

And whereas the land Sales Committee to which the application has been referred is of opinion that the land to which the application relates is farm land suitable or adaptable for the settlement of two discharged servicemen:

And whereas the said committee, not being satisfied that the Crown had decided not to acquire or arrange for the acquisition of the land, did on the 6th day of April, 1944, make an order determining the basic value of the land and no appeal from the said order was made within the time prescribed by the said Act or within any further time allowed by the Court:

And whereas the said land is not the land of any serviceman who is for the time being serving outside New Zealand in aid of His Majesty's Forces or in any British ship:

Now, therefore, I, Clarence Farrington Skinner, Minister of Land, acting in pursuance of section 31 of the said Act, do hereby declare that the said land is taken for the settlement of discharged servicemen and I hereby specify the 32nd day of June, 1944, as the date on which the said land shall be deemed to be vested in His Majesty the King.

Terms of Payment

A marked cheque for £780, plus £1 as license fee, must accompany the tender, and the balance of the purchase-money must be paid in twelve equal monthly instalments, the first of which shall be paid on the 20th of the month after date of sale.

Terms and Conditions

1. All instalment-payments shall be secured by "on demand" promissory notes made and endorsed to the satisfaction of the Commissioner of State Forests, and interest at the rate of 1 per cent. per annum in excess of current bank overdraft rates will be charged on all notes overdue from the date of maturity to the date of payment.

2. The right to cut and remove the timber will be sold in accordance with the provisions of the Forests Act, 1921-22, the regulations in force thereunder, and these conditions.

3. The aforementioned quantity and kind as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price by reason of the said timber being of less quantity or kind as stated herein or in any advertisement having reference to the said timber.

4. A return giving the number of logs cut of each species and their contents must be made quarterly by the licensee on the last days of March, June, September, and December, respectively, in each year. A return must also be made on the same dates showing the output of sawn timber of each species. These returns may be ascertained and verified by inspection of the books of the mill, or by such other means as the Conservator may require, and for this purpose the accounts and books shall be open to the inspection of the Conservator, a Forest Ranger, or other duly authorized officer.

5. The attention of all tenderers is drawn to the fact that the local controlling body may require the successful tenderer to pay any claims or charges which may be made by that body for the maintenance of the road over which the timber may be transported, and before a sawmill licence is issued a letter indicating that satisfactory arrangements have been made in this connection must be produced to the undersigned.

6. Intending tenderers are expected to visit the locality and to satisfy themselves in every particular on all matters relative to the sale.

7. Each tenderer must state the total price that he is prepared to pay for the timber. The highest or any tender will not necessarily be accepted, and the timber described is submitted for sale subject to the dual acceptance of the tender by the Commissioner of State Forests.

8. The right is reserved to the Commissioner of State Forests to withdraw from sale any or all of the said timber either before or after the closing-date for receipt of tenders.

9. If no tender is accepted for the timber herein mentioned it will remain open for application for three months from the closing-date of tenders.

10. Tenders should be on the special form obtainable from any office of the State Forest Service, and should be enclosed in envelopes addressed "Conservator of Forests, Rotorua," and endorsed "Tender for Timber."

The conditions, which will be inserted in the license to be issued to the purchaser, and further particulars may be obtained on application to the undersigned or to the Director of Forestry, Wellington.

N. J. DOLAMORE, Conservator of Forests.
