Weighted with £405 for improvements, comprising 490 acres clearing and grazing, of which 220 acres is reasonably clear, 240 acres reseeded to heavy form, and 30 acres in insect pasture; 445 chains of fencing; sheep yards and dip. The property is situated three miles up the Wakamarina Valley and comprises approximately 30 acres easy ploughable land, balance steep, cleared bush country growing tussock and native grasses. Approximately 100 acres of lower faces are reverting to fern and parts of the river-side flats are covered in blackberry. The hills exclude the sun for the greater part of the day in the winter, and the winters here are long and fairly severe. The property is not an economic unit and is suitable only as a grazing proposition as an adjunct to an existing holding.
