Price Order No. 409 (Milk) (Auckland Metropolitan Milk District)

Pursuant to the powers conferred on it by the Control of Prices Regulations 1939, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:

Preliminary

1. This Order may be cited as Price Order No. 409, and shall come into force on the 1st day of September, 1945.

2. (1) Price Order No. 3181 is hereby revoked.

3. In this Order:

"Auckland Metropolitan Milk District" means the district of that name constituted under the Milk Act, 1944, by Order in Council dated the 27th day of June, 1945;

"Commercial user" means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):

"Consumer" means a person who buys milk or cream for purposes other than resale;

"Shop dairy" means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

Application of this Order

1. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

2. Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced in the control of that Board or to milk or cream sold for use in any Auckland Metropolitan Milk District; or

3. (a) To the occupier of any shop dairy within the Auckland Metropolitan Milk District;

(b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Auckland Metropolitan Milk District.

Fixing prices of milk and cream to which this order applies

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(a) The prices fixed by this order are fixed as for delivery as follows:

(b) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy.

(c) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

3. Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:

(a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:

(d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

4. Where an account is rendered for cream supplied to a shop dairy during a period comprising more than one day (whether supplied in bottles or cartons or "loose"), then where the quantity of cream supplied on any one day is less than one quart the maximum price that may be charged shall be computed by reference to the total quantity of cream supplied to the shop dairy during that day as for cream supplied "loose".

5. Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:

(a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity;

(b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity;

(c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(6) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

2. (1) Price Order No. 32 is hereby revoked.

3. In this Order—

"Balclutha Milk District" means the district referred to in the Balclutha Milk Delivery Notice 1944:

"Commercial user" means a person who buys milk or cream for sale for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

"Shop dairy" means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

5. (2) The prices fixed by this Order are fixed as for delivery as follows:

(a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy.

(b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

6. Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price which may be charged for the milk to which the account relates shall be computed as follows—

All milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied and not exceeding the appropriate rate fixed by this Order.

All milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order.

All milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints.

Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows—

(a) When the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity.
(9) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity.

(10) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(11) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upper halfpenny.

FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows —

(a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy:

(b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows —

(a) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;

(b) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;

(c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints;

(d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows —

(a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity;

(b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:

(c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

Price Order No. 414 (Milk) (Eltham)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939, the Price Tribunal, acting with the authority of the Ministers of Industry and Commerce, doth hereby make the following Price Order: —

PRELIMINARY

1. This Order may be cited as Price Order No. 414, and shall come into force on the 1st day of September, 1945.

2. Price Order No. 376 is hereby revoked.

3. The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. In this Order—

“Eltham Milk District” means the district comprising the Borough of Eltham and all that area within one mile of the boundaries of the said borough:

“Commercial user” means a person who buys milk or cream for consumption or use off the premises and not separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

“Consumer” means a person who buys milk or cream for purposes other than resale:

“Shop dairy” means a shop where milk or cream is sold for consumption or use off the premises and not separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1920.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream where produced that is sold:

(a) To the occupier of any shop dairy within the Eltham Milk District; or

(b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Eltham Milk District.

FIXING PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows —

(a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy:

(b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows —

(a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;

(b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints;

(c) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:

(d) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.
(e) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any day by a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints.

(d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:

(a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:

(b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:

(c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of the specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

Pursuant to the powers conferred on it by the control of Prices Emergency Regulations 1939,* the Price Tribunal, acting with the advice of the Minister of Health, Industry and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 415, and shall come into force on the 1st day of September, 1945.

2. (1) Price Order No. 325X is hereby revoked.

(2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. In this Order—

Fielding Milk District means the district of that name constituted under the Milk Act, 1944, by Order in Council dated the 27th day of June, 1944; Commercial user means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise, and whether separately or in combination with any other substance or substances); Consumer means a person who buys milk or cream for purposes other than resale; Shop dairy means a shop where milk or cream is sold for consumption on the premises or any other premises and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold otherwise than in a multiple of any specified quantity, the price shall be computed as follows:

(a) To the occupier of any shop dairy within the Fielding Milk District; or

(b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Fielding Milk District.

FIXING OF PRICES OF MILK AND CREAM TO WHICH THIS ORDER APPLIES

5. (1) Subject to the following provisions of this clause, the maximum price may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows—

(a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy.

(b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery to the purchaser at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be comprised as follows—

(a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order.

(b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order.

(c) For milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints.

(4) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(5) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:

(a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:

(b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:

(c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of the specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(6) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

Price Order No. 416 (Milk) (Gisborne)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:

Preliminary

1. This Order may be cited as Price Order No. 416, and shall come into force on the 1st day of September, 1945.
2. (1) Price Order Nos. 3247 and 3947 are hereby revoked.

(2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. In this Order—

"Gisborne Milk District" means the district referred to in the Gisborne Milk Delivery Notice 1943.

"Commercial user" means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):

"Consumer" means a person who buys milk or cream for purposes other than resale:

"Shop dairy" means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

Application of this Order

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under or by virtue of the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

(a) To the occupier of any shop dairy within the Gisborne Milk District; or

(b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Gisborne Milk District.

Fixing Prices of Milk and Cream to Which this Order Applies

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:

(a) In respect of milk or cream sold by the occupier of a shop dairy:

(b) In respect of milk or cream sold otherwise than at a shop dairy:

(3) Where an account is rendered to any purchaser for milk or cream supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows—

(a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;

(b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;

(c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:

(d) Where the quantity supplied to any one purchaser in any one day (exclusive of milk supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows—

(a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity;

(b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity;

(c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

Price Order No. 417 (Milk) (Hamilton)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:

Preliminary

1. This Order may be cited as Price Order No. 417, and shall come into force on the 1st day of September, 1945.
2. (1) Price Order No. 2057 is hereby revoked.

(2) The provisions of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. In this Order—

"Hamilton Milk District" means the district referred to in the Hamilton Milk Delivery Notice 1943;

"commercial user" means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):

"Consumer" means a person who buys milk or cream for purposes other than resale;

"Shop dairy" means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

Application of this Order

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

(a) To the occupier of any shop dairy within the Hamilton Milk District; or

(b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Hamilton Milk District.

* Statutory Regulations 1939, Serial number 1939/275, page 1057.

Fixing Prices of Milk and Cream to Which this Order Applies

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows—

(a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy.

(b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows—

(a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order.

(b) For all milk supplied during the period in measurements of more than half-pint but not more than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order.

(c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed by this Order.

(d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of milk supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

(e) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows—

(a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity.

(b) Where the quantity supplied exceeds a specified quantity but is not a multiple of that specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of the specified quantity.

(c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(d) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

Pursuant to the powers conferred on it by the Control of Prices Emergency Regulations 1939,* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:

**Preliminary**

1. This Order may be cited as Price Order No. 420, and shall come into force on the 1st day of September, 1945.

2. (1) Price Order No. 350t is hereby revoked.

3. In this Order—

   "Invercargill Milk District" means the district referred to in the Invercargill Milk Delivery Scheme, 1941:

   "Commercial user" means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):

   "Consumer" means a person who buys milk or cream for purposes other than resale:

   "Shop dairy" means a shop where milk or cream is sold for consumption or use off the premises and not otherwise:

   "Commercial user" means a person who buys milk or cream for purposes other than resale:

   "Shop dairy" means a shop where milk or cream is sold for consumption or use off the premises and not otherwise:

   "Charitable Institutions Act, 1926."

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

5. As provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

(a) To the occupier of any shop dairy within the Invercargill Milk District:

(b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Invercargill Milk District.

### Fixed Prices of Milk and Cream to which this Order Applies

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:

(a) In respect of milk or cream sold by the occupier of a shop dairy:

   (i) As for delivery to the purchaser at the shop dairy:

   (ii) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed at a rate not exceeding the appropriate rate fixed by this Order:

   (iii) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(b) Where an account is rendered to any purchaser for milk so supplied on any one day of a total quantity of one gallon or more, the price shall be computed for the said total quantity of milk so supplied on any one day of a total quantity of one gallon or more, the price shall be computed at a rate not exceeding the appropriate rate fixed by this Order:

(c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the price of the smallest specified quantity:

(d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon but less than 2 gallons, the price shall be computed by reference to the total quantity of milk supplied to that purchaser during that day;

(e) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon but less than 2 gallons, the price shall be computed by reference to the total quantity of milk supplied to that purchaser during that day.

(f) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:

   (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:

   (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any such surplus over that specified quantity shall be a proportionate part of the price of that specified quantity.

(g) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(3) If in respect of any milk or cream the price charged in accordance with the provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

[Price Order No. 425 (Milk) (Oamaru)]

Pursuant to the powers conferred on it by the Control of Prices Emergency Regulations 1941, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:

**Preliminary**

1. This Order may be cited as Price Order No. 425, and shall come into force on the 1st day of September, 1945.  
2. (1) Price Order No. 385 is hereby revoked.  
   (2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. In this Order—

   (a) "Oamaru Milk District" means the district comprising the Borough of Oamaru and all that area within four miles of the boundaries of the said borough;  
   (b) "Commercial user" means a person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances);  
   (c) "Consumer" means a person who buys milk or cream for purposes other than resale;  
   (d) "Shop dairy" means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

**Application of this Order**

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.  
   (2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is sold—

   (a) To the occupier of any shop dairy within the Oamaru Milk District; or  
   (b) By the occupier of a shop dairy or by any other person to a commercial user within the Oamaru Milk District.

**Fixing Prices of Milk and Cream to Which this Order Applies**

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

   (2) Where the price fixed by this Order is fixed as for delivery as follows—

   (a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy.  
   (b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

   (3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows—

   (a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;  
   (b) For all milk supplied during the period in measurements of half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order;  
   (c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints;  
   (d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the price that may be charged shall be computed by reference to the total quantity of milk so supplied to the purchaser during that day.

   (4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows—

   (a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity.  
   (b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity.  
   (c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over that nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.  
   (d) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.
(2) The prices fixed by this Order are fixed as for delivery as follows:—

(a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy.

(b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(c) Where the milk or cream is rendered to any other person for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

(a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(b) For all milk supplied during the period in measurements of more than half-pint but not more than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:

(d) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied to that purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule hereto, or otherwise than in a multiple of any specified quantity, the price shall be computed as follows:—

(a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:

(b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:

(c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

(5) If in respect of any milk or cream so charged a proportionate part of the price of that specified quantity is not an exact number of pence half-pence, the maximum price shall be computed to the nearest upward half-penny.

Price Order No. 435 (Milk) (Palmerston North Metropolitan Milk District)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 435, and shall come into force on the 1st day of September, 1945.

2. (1) Price Order No. 351 is hereby revoked.

(2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. The Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:

"Palmerston North Metropolitan Milk District " means the district of that name constituted under the Milk Act, 1944,

"Consumer" means a person who buys milk or cream for consumption or use off the premises and not elsewhere, and whether separately or in combination with any food or other substance,

"Commercial user" means a person who buys milk or cream for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any food or other substance),

"Shop dairy" means a shop where milk or cream is sold for consumption or use off the premises and not elsewhere and whether separately or in combination with any food or other substance.

APPLICATION OF THIS ORDER

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold to a separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced within the district of that name constituted under the Milk Act, 1944.

5. (1) Subject to the provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto for each specified quantity.

(2) The prices fixed by this Order are fixed as for delivery as follows:

(a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy.

(b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:—

(a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(b) For all milk supplied during the period in measurements of half-pint or less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:

(c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(d) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints:

(e) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the total quantity of milk so supplied on any one day of a total quantity of one gallon or more, and whether separately or in combination with any food or other substance.

(f) Where the quantity of milk supplied exceeds the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over the nearest multiple of the specified quantity shall be a proportionate part of that specified quantity.

* Statutory Regulations 1939, Serial number 1939/275, page 1057.
(5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

Price Order No. 437 (Milk) (Rotorua)

Pursuant to the powers conferred on it by the Control of Prices Emergency Regulations 1939, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:

Preliminary

1. This Order may be cited as Price Order No. 437, and shall come into force on the 1st day of September, 1945.

2. (1) Price Order No. 336 is hereby revoked.

2. (2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. In this Order—

"Rotorua Milk District" means the district referred to in the Rotorua Milk Delivery Notice 1942:

"Commercial user" means a person who buys milk or cream for consumption on his premises (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):

"Consumer" means a person who buys milk or cream for purposes other than resale:

Shop dairy means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

Application of this Order

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board or to milk or cream sold for use in any separate institution within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced and sold:

(a) To the occupier of any shop dairy within the Rotorua Milk District;

(b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Rotorua Milk District.

Fixing Prices of Milk and Cream to which this Order Applies

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

The prices fixed by this Order are fixed as for delivery at the premises of the purchaser.

(2) Where an account is rendered to any purchaser for milk supplied to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:

(a) For milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order.

(b) For milk supplied during the period in measurements of half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed by this Order.

(c) For milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the appropriate rate fixed in the Schedule hereto for two pints.

(3) Where the quantity of milk supplied to any one purchaser in any one day (exclusive of quantities supplied in measurements of half-pint or less) is not less than one gallon, the maximum price that may be charged shall be computed by reference to the maximum price of milk so supplied to the purchaser during that day.

(4) Where any milk or cream to which this Order applies is sold otherwise than in one of the quantities specified in the Schedule, the price shall be computed as follows:

(a) Where the quantity supplied is less than the smallest specified quantity, the price shall be a proportionate part of the price of the smallest specified quantity:

(b) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity:

(c) Where the quantity supplied exceeds twice the amount of the nearest lower specified quantity but is not an exact multiple of that specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of that specified quantity:

(5) If in respect of any milk or cream the price charged in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price shall be computed to the nearest upward halfpenny.

**Price Order No. 432 (Milk) (Westport)**

Pursuant to the powers conferred on it by the Control of Prices Emergency Regulations 1939,* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

**Preliminary**

1. This Order may be cited as Price Order No. 432, and shall come into force on the 1st day of September, 1945.

2. (1) Price Order No. 336 is hereby revoked.

3. The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

4. In this Order—

- "Westport Milk District" means the district comprising the Borough of Westport and all that area within one mile of the boundaries of the said borough.
- "Commercial user" means any person who buys milk or cream for sale for consumption on his premises (whether in the form in which it is received by him or otherwise and in no case in combination with any other substance or substances).
- "Consumer" means a person who buys milk or cream for purposes other than resale.
- "Shop dairy" means a shop where milk or cream is sold for consumption or use off the premises and not otherwise and where the milk or cream so sold is sold in the form in which it was received into the shop dairy.

**Application of this Order**

4. (1) Nothing in this Order shall apply with respect to milk or cream sold to a Hospital Board for use in any institution under the control of that Board; or to milk or cream sold in separate institutions within the meaning of the Hospitals and Charitable Institutions Act, 1926.

(2) Except as provided in the last preceding subclause, this Order applies with respect to all milk and cream wherever produced that is—

(a) To the occupier of any shop dairy within the Westport Milk District; or

(b) By the occupier of a shop dairy or by any other person to a commercial user or to a consumer within the Westport Milk District.

**Fixing Prices of Milk and Cream to Which this Order Applies**

5. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received for any milk or cream to which this Order applies shall be the appropriate price set out in the Schedule hereto.

(2) The prices fixed by this Order are fixed as for delivery as follows:

(a) In respect of milk or cream sold by the occupier of a shop dairy: As for delivery to the purchaser at the shop dairy.

(b) In respect of milk or cream sold otherwise than at a shop dairy: As for delivery at the premises of the purchaser.

(3) Where an account is rendered to any purchaser for milk or cream sold to him during a period comprising more than one day, the price that may be charged for the milk to which the account relates shall be computed as follows:

(a) For all milk supplied during the period in measurements of half-pint or less, the price shall be computed separately for each lot supplied at a rate not exceeding the rate fixed by this Order.

(b) For all milk supplied during the period in measurements of more than half-pint but less than two pints (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed separately for each lot supplied at a rate not exceeding the appropriate rate fixed by this Order:

(c) For all milk supplied during the period in measurements of two pints or more (exclusive of milk so supplied on any one day of a total quantity of one gallon or more), the price shall be computed at a rate not exceeding the rate fixed by this Order:

(d) For all milk supplied during the period in measurements of one gallon or more, the price shall be computed at a rate not exceeding the rate fixed by this Order:

(e) For all milk supplied during the period in measurements of one gallon or more, the price shall be computed at a rate not exceeding the rate fixed by this Order:

(f) Where the quantity supplied exceeds a specified quantity but is less than twice the specified quantity, the price of any surplus over that specified quantity shall be a proportionate part of the price of that specified quantity.

Price Order No. 434 (Amending Price Order No. 346) (Main Crop Potatoes)

Pursuant to the powers conferred on it by the Control of Prices Emergency Regulations 1939*, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, do hereby make the following amending Price Order.

1. This Order may be cited as Price Order No. 434, and shall be read together with and deemed part of Price Order No. 346+ (hereinafter referred to as the principal Order).

2. (1) Price Order No. 404† is hereby revoked.

(2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

This Order shall come into force on the 30th day of August, 1945.

Application of this Order

4. (1) This Order applies with respect to all potatoes which, being subject to the principal Order, are sold by a grower for delivery at any time after the commencement of this Order and on or before the 30th day of November, 1945.

(2) For the purposes of this Order any potatoes sold on the basis of f.o.b.s.i. or f.o.r.s.i. shall be deemed to be delivered to the purchaser after the commencement of this Order if:

(a) in the case of sales f.o.b.s.i. the potatoes are laden on board a vessel at any time before midnight on the 29th day of August, 1945; or

(b) in the case of sales f.o.r.s.i. the trucks on which the potatoes are laden leave the grower's station at any time before midnight of the said date.

(3) Except as provided in the last preceding subclause, potatoes sold f.o.b.s.i. or f.o.r.s.i. shall be deemed to be delivered to the purchaser after the commencement of this Order in accordance with the foregoing provisions of this Clause if

(a) they may have been actually laden on board any vessel or trucks before the commencement of this Order.

Modification of Principal Order with respect to Potatoes that are Subject to this Order

5. (1) Nothing in this Order shall affect the contrary in the principal Order the actual price to be charged by any grower for f.a.q. potatoes and the maximum price to be charged by any such grower for potatoes under the principal Order shall be determined in accordance with the following scale, namely:
