

(b) Sales to users in any case where a lot of not less than 5 cwt. of any one kind of the vegetables to which this Order applies is sold to any one purchaser for delivery at any one time.

7. (1) The provisions of this Order fixing prices by reference to the weight of the vegetables to which any sale relates shall apply notwithstanding that in any such case the seller may sell or purport to sell otherwise than by weight.

(2) In computing for the purposes of this Order the weight of any carrots, parsnips, or swedes, no account shall be taken of the weight of any foliage that may be attached thereto: Provided that spring carrots and spring parsnips sold during the months of October to January (inclusive) may be weighed and sold with foliage (not exceeding 5 in. in length) attached thereto.

(3) In computing the weight of any vegetables to which the maximum wholesale prices fixed by this Order apply the weight of the case or other container shall be excluded.

FIXING MAXIMUM WHOLESALE AND RETAIL PRICES OF VEGETABLES TO WHICH THIS ORDER APPLIES

8. (1) Subject to the provisions of this clause and of clause 10 hereof, the maximum wholesale prices of vegetables to which this Order applies shall be determined in accordance with the Schedule hereto.

(2) The wholesale prices fixed by this Order are fixed as for delivery at the wholesaler's store or other premises from which delivery to the purchaser is effected.

(4) Where delivery is effected by a wholesaler elsewhere than at premises occupied by him, he may add to the appropriate price fixed in accordance with the Schedule hereto the reasonable cost of delivery, not exceeding in any case the cost that would have been incurred by him if delivery had been effected by a common carrier at current freight rates.

9. (1) Subject to the provisions of this clause and of clause 10 hereof, the maximum retail prices of vegetables to which this Order applies shall not exceed the sum of the following amounts:—

- (a) The price actually paid or payable by the retailer for the vegetables and for the case or other container:
- (b) Any transport charges actually paid or payable by the retailer:
- (c) With respect to carrots, parsnips, swedes, kumaras, and pumpkins, an amount equal to 40 per cent., with respect to silver beet an amount equal to 50 per cent., and with respect to cabbages an amount equal to 66 $\frac{2}{3}$ per cent. of the sum of the amounts specified in paragraphs (a) and (b) hereof.

(2) The retail price of any vegetables, computed in accordance with the last preceding subclause, shall be calculated by reference to the prices and weights disclosed in the appropriate invoices.

(3) Notwithstanding anything to the contrary in the foregoing provisions of this clause but subject to the provisions of clause 10 hereof, the retail price of any vegetables to which this Order applies shall not in any case exceed the price determined in accordance with the Schedule hereto.

(4) If in respect of any lot of vegetables sold by a retailer the maximum price calculated in accordance with the foregoing provisions of this Order or in accordance with an authority given under clause 10 hereof is not an exact number of pence or halfpence, the maximum price of the lot shall be computed to the nearest upward halfpenny.

10. Subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any person concerned, may authorize special prices or margins of profit in respect of any vegetables to which this Order applies where for any reason extraordinary freight charges are incurred by any wholesaler or retailer in obtaining delivery from the source of supply that is nearest or most convenient of access to him. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of vegetables or may relate generally to all vegetables of any kind to which this Order applies sold while the approval remains in force.

11. Every retailer who offers or exposes for sale in any shop any vegetables to which this Order applies shall keep in a prominent position in such proximity to the vegetables to which it relates as to be obviously descriptive thereof a ticket, placard, or label on which shall be stated in legible and prominent characters the retail price per pound of the vegetables.
