**Price Order No. 471 (Apricots, Peaches, and Plums)**

Pursuant to the powers conferred on it by the Control of Prices Emergency Regulations 1939, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

---

**Preliminary**

1. This Order may be cited as Price Order No. 471, and shall come into force on the 19th day of December, 1945.

2. (1) Price Orders No. 309 and No. 312 are hereby revoked.

3. (1) In this Order, unless the context otherwise requires,—

   'The said regulations' means the Control of Prices Emergency Regulations 1939:

   'Commercial use' means a person engaged in the business of canning or of otherwise processing or compounding apricots, peaches, or plums that are not intended for immediate consumption:

   'Grower', in relation to apricots, peaches, or plums, means a person engaged in the business of growing any of such fruits for sale:

   'Packer', in relation to apricots, peaches, or plums, means a person customarily employed in the business of packing such fruit in conformity with the New-Zealand-grown Fruit Regulations 1940:

   'Troy', in relation to apricots, peaches, or plums, means a package of the kind numbered 4 in the First Schedule to the New-Zealand-grown Fruit Regulations 1940, and containing or reputed to contain approximately 8 lb. of fruit:

   'Half-case', in relation to apricots, peaches, or plums, means a case of the kind numbered 6 in the said First Schedule, and containing or reputed to contain approximately 18 lb. of apricots or peaches, or approximately 20 lb. of plums:

   'Quarter-case', in relation to apricots, peaches, or plums that are not intended for immediate consumption:

   'Wellington Metropolitan Area' means the cities of Wellington and Lower Hutt, the boroughs of Petone and Eastbourne, and the town district of Johnsonville.

(2) Terms and expressions defined in the said regulations have, when used in this Order, the meanings severally assigned thereto by those regulations.

---

GRADING OF FRUIT TO WHICH THIS ORDER APPLIES

6. (1) Any apricots, peaches, or plums to which this Order applies may be graded by the grower or by a packer or may be sold as ungraded. The grading of any fruit by the grower or by a packer as aforesaid shall be so carried out that all fruit of the same grade shall be reasonably uniform in quality, size, and maturity.

(2) Fruit that has been graded as "special selected dessert" or "special" or "extra fancy" shall be packed in trays, and each half-case or quarter-case of fruit so graded shall be legibly branded with "special selected dessert" or "special" or "extra fancy", as the case may be, and shall also be legibly branded to show either the net weight of the contents thereof or the number (correct to within two of the exact number) of the fruit packed therein. No ungraded fruit and no fruit graded otherwise than as "special selected dessert" or "special" or "extra fancy" as aforesaid shall be packed in trays.

(3) Every half-case or quarter-case of apricots, peaches, or plums that has been graded by the grower or by a packer shall be legibly branded to indicate the grade of the fruit, and every half-case or quarter-case of ungraded fruit shall be legibly branded with the word "ungraded" or shall be left unbranded.

7. (1) Any wholesaler or retailer may sell or offer for sale as ungraded any graded apricots, peaches, or plums acquired by him, or may sell or offer for sale as fruit of a lower grade any apricots, peaches, or plums that have been acquired by him as "special selected dessert", "special", or "extra fancy".

(2) Except as provided in the last preceding subclause no person other than a grower or a packer shall grade or regrade any fruit to which this Order applies, and no such grading shall be done by any person who is merely the selling agent of a grower or a packer.

MAXIMUM WHOLESALE PRICES

8. (1) All approvals given by the Tribunal with respect to any apricots, peaches, or plums of the 1942-43 season or of any subsequent season sold by a wholesaler to a commercial user for the purposes of his business (including any terms and conditions subject to which any such approval was given) are hereby extended to apply to sales (during the corresponding periods of the current season or of any subsequent season) of any fruit of a like kind to which this Order applies, and the maximum price that may be charged for or paid for any wholesale price per pound fixed in the Schedule hereto for that kind and grade of fruit according to the place and date of sale.

(2) Except as provided in the last preceding subclause, and subject to the provisions of this clause and to the provisions of the Schedule hereto, the maximum wholesale price of any fruit to which this Order applies shall be determined in accordance with the Schedule hereto.

(3) With respect to fruit sold otherwise than in trays the maximum wholesale prices fixed by this clause are fixed as for cases containing a weight not less than as follows:

<table>
<thead>
<tr>
<th>Description</th>
<th>Weight</th>
</tr>
</thead>
<tbody>
<tr>
<td>Half-case (No. 6 case)</td>
<td>17 lb. of apricots or peaches or 19 lb. of plums.</td>
</tr>
<tr>
<td>Quarter-case (No. 9 case)</td>
<td>11 lb. of apricots or peaches or 123 lb. of plums.</td>
</tr>
</tbody>
</table>

(4) Where any case does not contain the prescribed minimum weight of fruit as set out in subclause (3) hereof for that particular type of case, the wholesale maximum price of the case shall be reduced for each pound or part of a pound by which the weight of the fruit is less than the prescribed minimum weight by the appropriate wholesale price per pound fixed in the Schedule hereto for that kind and grade of fruit according to the place and date of sale.

(5) For the purpose of calculating the minimum weight of the fruit in the case an allowance shall be made on account of the weight of the case as follows:

<table>
<thead>
<tr>
<th>Description</th>
<th>Allowance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Half-case (No. 6 case)</td>
<td>-</td>
</tr>
<tr>
<td>Quarter-case (No. 9 case)</td>
<td>-</td>
</tr>
</tbody>
</table>

(6) For the purpose of this Order every case in any lot of cases sold to a retailer shall be deemed to contain not less than the prescribed minimum weight of fruit set out in subclause (3) hereof unless on the day of the sale and before removal of the lot from the premises of the wholesaler the retailer has caused the lot to be weighed and found to the contrary.

(7) Where on the day of the sale and before removal of the lot from the premises of the wholesaler to which this Order applies the maximum price of the case is less than the prescribed minimum weight set out in subclause (3) hereof, the maximum wholesale price that may be charged or received for the lot shall be the respective price fixed in the Schedule hereto reduced in accordance with subclause (4) hereof for each pound or part of a pound by which the weight of the fruit in the lot is less than the total weight necessary to average the prescribed minimum weight as aforesaid.

(8) Where with respect to any lot of cases the provisions of subclause (7) hereof apply the wholesaler shall mark on the invoice relating to the sale the correct weight of the fruit contained in the lot.

(9) No sale of a case which is later reduced in accordance with the provisions of subclause (7) hereof shall be deemed to be a breach of this Order.

(10) All fruit that is sold in trays shall be sold by weight.

(11) The price per pound or the transport charges per pound paid or payable by the retailer for or in respect of any fruit sold by the wholesaler shall be the price or the transport charges, as the case may be, paid or payable by him for any lot of fruit that shall be divided by the reputed number of pounds of fruit comprised in the lot, and the result shall be deemed to be the price per pound or the transport charges per pound, as the case may be, paid or payable by the retailer as aforesaid.

(12) Where delivery is effected by a wholesaler elsewhere than at premises occupied by him he may add to the appropriate price fixed by the Tribunal with the reasonable cost of delivery, not to exceed in any case the cost that would have been incurred by him if delivery had been effected by a common carrier at current freight rates.

MAXIMUM RETAIL PRICES

9. Subject to the provisions of this clause and to the provisions of clause 10 hereof the maximum retail price per pound of any fruit to which this Order applies shall not exceed the sum of the following amounts:

(a) The price per pound actually paid or payable by the retailer for the fruit (including a proportionate part of the cost of the case or other container):

(b) Any transport charges (up to and including 9d. in the case of a half-case, up to and including 6d. in the case of a quarter-case, up to and including 4d. in the case of a tray) actually paid or payable by the retailer:

(c) An amount equal to 40 per cent. of the sum of the amounts specified in paragraphs (a) and (b) hereof.

(2) Of any fruit purchased by a retailer in accordance with the last preceding subclause shall be calculated by reference to the prices and weights disclosed in the appropriate invoices.

(3) In computing the price per pound or the transport charges per pound paid or payable by a retailer for or in respect of any fruit sold by the wholesaler the price of the case or other container and the price of the fruit (including transport charges, as the case may be) shall be divided by the reputed number of pounds of fruit comprised in the lot, and the result shall be deemed to be the price per pound or the transport charges per pound, as the case may be, paid or payable by the retailer as aforesaid.

(4) If in respect of any lot of fruit sold by a retailer the maximum price calculated in accordance with the provisions of this Order is not an exact number of pence or half-pence, the maximum price of the lot shall be computed to the nearest upward halfpenny.

(5) Notwithstanding anything to the contrary in the foregoing provisions of this clause, but subject to the provisions of clause 11 hereof and to the provisions of subclause (7) hereof, the maximum prices of clause 10 hereof, the maximum prices of clause 11 hereof, and the maximum prices of clause 12 hereof by which this Order applies shall not in any case exceed a price computed at the appropriate rate or rates prescribed in the Schedule hereto.

(6) Where the transport charges incurred by any retailer in obtaining delivery of any fruit to which this Order applies from the grower or packer or to whom the fruit is to be delivered are subject to any one of the conditions prescribed in subclause (6) of this clause and to the provisions of clause 12 hereof such transport charges may be increased in accordance with the following scale:

<table>

10. Notwithstanding anything to the contrary in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any wholesaler or retailer, may authorize special maximum wholesale or retail prices in respect of any fruit to which this Order applies where for any reason extraordinary charges (freight or otherwise) are incurred by the wholesaler or retailer. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of fruit or may relate generally to all fruit to which this Order applies sold by the wholesaler or retailer while the approval remains in force.

DUTIES IMPOSED ON RETAILERS FOR PURPOSES OF THIS ORDER
