Every duly authorized Forest Officer shall have the right of entry at reasonable times upon any premises of the successful tenderer for the purpose of inspecting the cutting of logs or examining his books, or taking extracts therefrom for the purpose of verifying the contents of logs sold to him and the quantities of timber produced therefrom.

16. The attention of all tenderers is drawn to the fact that the local controlling authority may require the successful tenderer to pay any claims or charges which may be made by that body for the maintenance of the road over which the timber may be transported, and before the sale agreement is completed a letter indicating that satisfactory arrangements have been made in this connection must be produced to the Conservator.

17. Intending tenderers are expected to visit the locality and to satisfy themselves in every particular on all matters relative to the sale.

18. Each tenderer must state the price per cubic foot he is prepared to pay for each class of logs in each species. The highest or any tender will not necessarily be accepted, and the logs as described are submitted for sale subject to the final acceptance of the tender by the Commissioner.

19. An allowance of 4 in. for oversawing will be made on cuts ranging from 24 (twenty-four) ft. to 32 (thirty-two) ft. in length, and 4 in., 6 in., or 8 in. for logs of approximately equal length, save that no butt logs will be measured as a point less than 7 ft. from the butt end.

20. Tenders should be enclosed in sealed envelopes addressed "Conservator of Forests, Rotorua," and endorsed "Tender for Timber." Each tender shall state whether it is for one lot or two lots and whether or not it is made by or on behalf of a returned serviceman or returned soldier.

21. Except as provided in Conditions 7 and 8 hereof, nothing in the sale agreement, or any subsequent license or agreement, shall be construed or take effect to confer any right of the purchaser to the possession of any land so as to create any leasehold estate or interest therein.

22. If no tenders are accepted for the logs mentioned herein they shall remain open for application for three months from the date tenders close.
