9. Public Administration

New facilities for Government and local administration, including—

- (a) Government centre at Invercargill, and Social Security buildings at Invercargill, Gore, and Riverton:
- (b) New municipal offices for Invercargill, and new offices for the Wallace County Council at Otautau.

SECOND SCHEDULE

ALL that area in the Otago and Southland Land Districts, bounded by a line commencing at a point on the sea-coast, being the middle of Long Beach Creek, being a point on the boundary of Clutha County, as described in the *New Zealand Gazette* of 1946, at page 375; thence northerly generally along the western boundary of the aforesaid county and the western boundary of Tuapeka County, as described in the *New Zealand Gazette* of 1882, at page 1955, to its point of intersection with the northern boundary of Southland County, as described in the *New Zealand Gazette* of 1946, at page 375; thence westerly generally along the northern boundary of the said Southland County to its intersection with the western boundary of Block 9, Lorn Survey District; thence northerly along the western boundaries of Blocks 9 and 5, Lorn Survey District, to the intersection of the western boundary of Block 5, Lorn Survey District, with the northern boundary of Block 9, Kingston Survey District;

thence westerly along the northern boundary of Block 9, Kingston Survey District, and that boundary produced across Lake Wakatipu, and again westerly along the northern boundary of Block 10, Kingston Survey District, to the north-western corner of Kingston Survey District; thence westerly by a right line to Hummock Peak, being a point on the northern boundary of Southland County and the eastern boundary of Wallace County, as described in the *New Zealand Gazette* of 1938, at page 1768; thence north-westerly generally along the north-eastern boundary of Wallace County, described in the *New Zealand Gazette* as aforesaid, to Mount Eglington; thence westerly by a right line to the point on the arm of George Sound at its intersection with the boundary of Wallace County, as described in the *New Zealand Gazette* of 1938, at page 1768; thence southerly along the western boundary of Wallace County aforesaid to Sandhill Point; thence easterly generally by the ocean along the southern boundaries of Wallace and Southland Counties to the point on the sea-coast, common to the boundaries of the Southland and Clutha Counties, being the point of commencement.

Dated at Wellington, this 9th day of September, 1946.

R. SEMPLE, Minister of Works.

(P.W. 82/13.)

In so far as the foregoing notice affects works which by virtue of the Municipal Corporations Act, 1933, the Public Works Act, 1928, or any other statute or otherwise howsoever, the Invercargill City Council is empowered to undertake, the Invercargill City Council hereby joins in giving and affirms the said notice.

Dated at Invercargill, this 9th day of September, 1946.

ABRAHAM WACHNER, Mayor of Invercargill.
R. T. PARSONS, Councillor.

In so far as the foregoing notice affects works which by virtue of the Soil Conservation and Rivers Control Act, 1941, the Public Works Act, 1928, or any other statute or otherwise howsoever, the Southland Catchment Board is empowered to undertake, the Southland Catchment Board hereby joins in giving and affirms the said notice.

Dated at Invercargill, this 9th day of September, 1946.

GEORGE A. HAMILTON,
Chairman of the Southland Catchment Board.

Notice of a Scheme of Development and Reconstruction in Stewart Island

PURSUANT to subsection (2) of section 29 of the Finance Act (No. 3), 1944, I, Robert Semple, the Minister of Works, hereby give notice of the nature of the work to be included in the scheme of development and reconstruction described in the First Schedule hereto, and that the approximate boundaries of the area hereby affected are as described in the Second Schedule hereto, such area being hereinafter referred to as "the area." This notice shall remain in force until the 30th day of September, 1956.

FIRST SCHEDULE

NATURE OF WORK

THE improvement of the lands and the development of the area for industrial, commercial, residential, and recreational purposes, including, in particular, the provision of:—

Land Development

1. Land improvement and development works generally, including the acquisition of suitable blocks of land, clearing, subdivision, fencing, provision of houses, buildings, water-supply, access, and amenities.

Commercial

2. The provision of a tourist hostel and facilities at Half-moon Bay.

Communications

3. (1) Improvement of radio, telegraph, telephone, and postal services throughout the area, including a new post-office at Half-moon Bay.

(2) Local Access: Improvements of access and roading generally throughout the area.

(3) Airways: The provision of new facilities for air transport.

Utilities

4. The provision of a water-supply for Half-moon Bay.

Defence

5. Construction and improvement of defence installations.

SECOND SCHEDULE

ALL that area in the Southland Land District, being the whole of Block I, Paterson Survey District, situated in Stewart Island County, such county being described in the First Schedule to the Counties Act, 1876.

Dated at Wellington, this 9th day of September, 1946.

R. SEMPLE, Minister of Works.

(P.W. 82/13.)
