Price Order No. 618 (Onions)

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 618, and shall come into force on the 1st day of December, 1946.

2. (1) Price Order No. 465† is hereby revoked.

(2) The revocation of the said Price Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. (1) In this Order, unless the context otherwise requires,—

“The said regulations” means the Control of Prices Emergency Regulations 1939*:

“Distributor”, in relation to any lot of onions, means a wholesaler, as defined in the said regulations, who sells those onions otherwise than to a retailer for purposes of retail sale:

“Grower”, in relation to onions, means a person engaged in the business of growing onions for sale:

“Grower's station”, in relation to any grower, means the railway-station that is nearest or most convenient of access to the grower's premises:

“Old season onions” means onions planted before the 1st day of April, 1946.

The expression “f.o.r.s.i.” means free on rail, sacks or other containers included:

(2) References in this Order to grades are references to grades of onions determined in accordance with the Board of Trade (Onion) Regulations 1938‡.

(3) In computing for the purposes of this Order the weight of any onions no account shall be taken of the weight of any thick necks or tops that may be attached thereto.

(4) Terms and expressions defined in the said regulations when used in this Order have the meanings severally assigned thereto by those regulations.

4. Subject to any general or specific directions that may be given by or on behalf of the Tribunal, any expenses that are reasonably incurred by a wholesaler or retailer in undertaking the transport of any onions at his own expense may be regarded for the purposes of this Order as if they were transport charges paid by him, and the maximum price of any onions sold by him shall be determined accordingly.

5. The provisions of this Order shall apply notwithstanding that any onions to which the Order is applicable are sold otherwise than by weight.

6. The maximum prices fixed by this Order apply with respect to sales by auction as well as to other sales.

APPLICATION OF THIS ORDER

7. (1) This Order applies with respect to all onions grown in New Zealand (except onions of the type known to the trade as “spring onions” and “shallots”) that are sold by any grower, distributor, wholesaler, or retailer on or before the 31st day of December, 1947, for human consumption.

(2) Every sale of any such onions shall be deemed to be a sale for human consumption unless at the time of the sale there is a bona fide agreement or stipulation between the buyer and the seller that the onions to which the sale relates are intended for a specific purpose other than human consumption.
