

5. ROUTES OF ELECTRIC LINES

(a) That route commencing at the licensee's power-house situated in Section 28, Whaingaroa Parish, Block II, Karioi Survey District, Auckland Land District, and proceeding thence generally in a north-westerly direction through portion of the said Section 28, across an arm of Okete Bay, and through other portion of the said Section 28 to the licensee's pump, residence, milking-shed, and shearing-shed in the said Section 28.

(b) That route in Sections 28 and 103, Whaingaroa Parish, Block II, Karioi Survey District, branching from the licensee's electrical-reticulation system at a point in the said Section 28 between the road and the licensee's milking-shed, and thence proceeding across parts of the said Section 28, an arm of Okete Bay, and right-of-way to the residences near the easternmost corner of the said Section 103.

As the said routes are more particularly delineated on the said plan P.W.D. 125082, and thereon coloured blue.

6. DURATION OF LICENCE

This licence shall, unless sooner determined, continue in force until the 31st day of March, 1968, or until electrical energy is available from any Electric-power Board or other public source of supply, whichever is the earlier.

7. SYSTEM OF SUPPLY

The system of supply shall be as described in paragraph (a) of clause 21-01 of the Electrical Supply Regulations 1935.

8. RENTAL

For the purpose of assessing the rental or annual sum payable in respect of this licence, the licensee may install a suitable maximum-demand indicator to the satisfaction of the Inspecting Engineer of the State Hydro-electric Department, and, failing such installation, the rental shall be determined on the maximum capacity of the generating plant installed. The present plant is rated at 17 kilowatts.
