Building Construction Control Notice No. 23

NOTICE is hereby given that, pursuant to the Supply Control Regulations 1939 and the Building Emergency Regulations 1939, I hereby require and direct as follows:—

1. This notice may be cited as the Building Construction Control Notice No. 23.

2. This notice shall come into force on the day next following the date of publication thereof in the *Gazette*.

3. No owner, within the meaning of the Building Emergency Regulations 1939, of any galvanized steel sheets (new or second-hand) of a kind referred to in clause 4 or clause 5 hereof shall sell, supply, dispose of, or part with the possession or control of any of the sheets to any other person unless—

- The owner first receives an application duly completed by that other person on a form approved by the Building Controller and provided for the purpose by the owner;
- The application is submitted to and approved by the Building Controller or some person authorized by the Building Controller in that behalf; and
- The owner forwards every such application to the Building Controller, P.O. Box 1708, Wellington, or as he directs, at such time as he directs:

Provided that nothing in this clause shall apply in any case where the owner is satisfied that the galvanized sheets are intended to be used for a purpose specified in clause 4 or clause 5 hereof.

4. Except with the precedent consent of the Building Controller, no person shall use galvanized corrugated steel sheets (new or second-hand) for any purpose other than the manufacture of supply-tanks of 100-gallon capacity or more or the repair of existing galvanized corrugated steel or galvanized corrugated iron roofs of dwellings but not including a total of more than one-fourth of the area of the existing roof.

5. Except with the precedent consent of the Building Controller, no person shall use flat galvanized steel or iron sheets or galvanized corrugated steel or iron sheets which have been flattened (new or second-hand) for any purpose other than the manufacture of door and window flashings, termite cappings in districts in which the Termites Act, 1940, applies, pumice-concrete washing-copper casings, hot-water cylinder casings, tops and bottoms for galvanized iron tanks of 100-gallon capacity or more, baths, sinks, lead-edged ridging, roof valley linings, eaves gutters, and rain-water downpipes.

6. Except with the precedent consent of the Building Controller, no person, whether manufacturer, contractor, subcontractor, or owner, shall use new or second-hand ridging, eaves gutters, or rain-water downpipes manufactured from galvanized steel or iron,
