These sections are situated just outside the Borough of New Plymouth adjoining the Smart Road Railway-station and one mile from the Waiwakaiho Saleyards. The land is level to easy undulating; the pastures have deteriorated through lack of fertilizer; the aspect is sunny but exposed to prevailing winds. The advice given by the Rehabilitation Officer as to the assistance available should be attached to the application.

In the event of an ex-serviceman who is graded for a small area for nursery work, vegetable growing, &c., requiring a larger area, he may be permitted to acquire two contiguous units provided he has an indication from the Rehabilitation Department that he is eligible for financial assistance up to the normal limits for the purpose for which he requires the property.

Any further information required may be obtained from the undersigned.
