PRELIMINARY

1. This Order may be cited as Price Order No. 459, and shall come into force on the 1st day of March, 1948.

2. (1) Price Orders Nos. 658* and 778** are hereby revoked.

(2) The said Price Orders shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. (1) This Order, unless the context otherwise requires,—

"The said Act means the Control of Prices Act, 1947; "Distributor", in relation to any lot of potatoes, means a wholesaler; "good variety", defined in the said Act, which, as sold to the grower, consists of potatoes other than to a retailer for purposes of retail sale; "Grower", in relation to potatoes, means a person engaged in the business of growing potatoes for sale; "Grower's station", in relation to any grower, means the railway-station that is nearest or most convenient of the said grower for the purpose of delivering his potatoes to the purchaser on the rail.

The expression "good table" in reference to any lot of potatoes means potatoes of good shape according to variety, not more than 15 per cent. of which can be passed through a square the sides of which have an inside measurement of 2 in.; the lot shall be free from green potatoes, from second growth, from dry or wet rots (including late blight or frost damage); the lot shall be practically free from earth, which shall not in any case exceed 3 per cent. by weight of the lot; the weight of the lot affected by mechanical injury (including bruises and cuts) shall not exceed 2 per cent.; and the lot shall be practically free from scar or other defects not herein mentioned.

The expression "f.o.r.s.e." in reference to any lot of potatoes means potatoes of fair average quality, being potatoes not more than 15 per cent. of which can be passed through a square the sides of which have an inside measurement of 2 in.; not more than 2 per cent. by weight of the lot shall be affected by dry or wet rots (including late blight or frost damage) or by severe mechanical injury (including bruises and cuts); not more than 6 per cent. by weight of the lot shall be affected as aforesaid or by scale or by second growth or by other defect; and the lot shall be reasonably free from earth or from rough or unshapely tubers.

The expression "Under-grade" in reference to any potatoes means potatoes that are not "good table" or "f.o.r.s.e." potatoes.

The expression "f.o.b.s.e." means "free on board, sacks or other containers extra"; and the expression "f.o.r.s.e." means "free on rail, sacks or other containers extra".

(2) Terms and expressions defined in the said Act, when used in this Order, have the meanings respectively assigned thereto by that Act.

4. Subject to any general or specific directions that may be given by the Commission, or by the Tribunal, any expenses that are reasonably incurred by a distributor, wholesaler, or retailer in undertaking the transport of any potatoes at his own expense may be recovered by him from the grower if he had delivered the potatoes f.o.r.s.e. the grower's station, the price to be paid by him being a reasonable recovery for such expenses, or the price may be charged to the grower as if they were transport charges paid by him, and the maximum price of the potatoes shall be determined accordingly.

5. This Order shall apply notwithstanding that any potatoes to which this Order is applicable are sold otherwise than by weight.

6. The several prices, allowances, and margins of profit fixed by this Order apply with respect to sales by auction as well as to other sales.

The several prices fixed by this Order do not include the cost of sacks or other containers.

APPLICATION OF THIS ORDER
