

*Validating the Proceedings in Connection with the Patea Borough Council's Loan of £1,800*

B. C. FREYBERG, Governor-General

ORDER IN COUNCIL

At the Government Buildings at Wellington, this 14th day of January, 1948

Present:

THE RIGHT HON. P. FRASER PRESIDING IN COUNCIL

WHEREAS the Patea Borough Council is proceeding by way of special order to raise a loan of one thousand eight hundred pounds (£1,800), to be known as "Water-supply Restoration Loan, 1947" (hereinafter called the said loan):

And whereas the proceedings in connection with the said loan are irregular or defective in that the public notice of the subsequent confirming meeting and of the resolution making the special order did not specify the place at which the subsequent confirming meeting was to be held as required by paragraph (c) of section sixty-two of the Municipal Corporations Act, 1933, as set out in paragraph (a) of section five of the Municipal Corporations Amendment Act, 1938:

And whereas it appears that the ratepayers of the district have not been misled by such irregularity or defect as aforesaid and it is expedient to validate the same:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers and authorities conferred on him by section one hundred and twenty-two of the Local Bodies' Loans Act, 1926, and of all other powers and authorities enabling him in this behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby order and declare that the proceedings in connection with the said loan shall be valid to all intents and purposes as though the said public notice had been correctly given, and that the validity of the proceedings in connection with the said loan, or of the security for the said loan, shall not be called in question by reason only of the irregularity or defect aforesaid.

T. J. SHERRARD,

Acting Clerk of the Executive Council.

(T. 49/280/9.)

*Appointing Four Non-elective Members of the Manawatu Catchment Board*
