**Distributors' Prices**

10. Subject to the provisions of the next succeeding clause, the maximum price that may be charged or received by any distributor for any potatoes to which this Order applies shall be the sum of the following amounts:

(b) Any disbursements (other than brokerage) actually incurred and paid by the same or any other distributor by way of grading, transport, or other charges;

In computing the maximum price that may be charged by any distributor or by any wholesaler for potatoes that have been acquired by him in different lots at different prices, the appropriate maximum price may, with the general or special approval of the Tribunal, and subject to any conditions that may be imposed by the Tribunal, be computed by reference to the average of the several prices paid for each potato.

**Computation of Distributors' and Wholesalers' Prices by Reference to Average Prices**

14. (1) Every distributor or other wholesaler who sells any potatoes to which this Order applies shall specify in the relevant invoice, with respect to each item, the grade of the potatoes comprised in the item, and shall state separately the price charged for the potatoes and the price charged for the sacks.
