GREETINGS:

WHEREAS We in Our Government of New Zealand have taken into Our Royal consideration the services rendered during the war of 1939 to 1945 by all members of the New Zealand Armed Forces and Merchant Navy and by aircrews of New Zealand registered Civil Air Services which operated outside New Zealand, who, when their country was in danger, answered the call and saw service at home or abroad in their country's defence:

And whereas We are desirous of recognizing this service to New Zealand:

We do by these presents, for Us, Our Heirs, and Successors institute and create a new medal.

1. The medal shall be designated and styled "The New Zealand War Service Medal.

2. The medal shall be circular in form and of cupro-nickel, and shall on the obverse bear the unworked effigy of the Sovereign, and on the reverse the inscription "For Service to New Zealand 1939-45," with the representation of a front of fern, with the ribbon one-and-a-quarter inches in width, of black watered silk, edged with white. stripes, each stripe being thirty millimetres wide, and the inscription "For Service to New Zealand 1939-45," with the black ribbon bearing at the top, the inscription, "For Service to New Zealand 1939-45," and with a representation of a frond of fern below.

3. Those persons eligible for the medal shall be those of Our faithful subjects and others, male and female, who, between the 3rd September, 1939, and the 2nd September, 1945, rendered the required service in the New Zealand Armed Forces, including the Naval Auxiliary Patrol Service, the New Zealand Territorial Force, the New Zealand National Military Reserve, and the Home Guard, or as members of the crew of an aircraft operated by a Civil Air Line registered in New Zealand.

4. In the case of service in the Armed Forces an aggregate of at least twenty-eight days' full-time service must have been rendered, whether within New Zealand or abroad, or six months' part-time service. The part-time service in the Naval Auxiliary Patrol Service, which may be reckoned towards the period of six months, shall be restricted to service between 16th August, 1940, and 1st January, 1944. 12. Qualifying service in different sections of the New Zealand Armed Forces or Merchant Navy, or as a member of the crew of an aircraft operated by a Civil Air Line registered in New Zealand, may be aggregated for the purpose of determining the qualifying service of an individual under clauses 4 to 6. In making this aggregation, seven days' part-time service shall be considered equivalent to one day of full-time service, and vice versa.

13. The medal shall be worn on the left breast suspended by a ribbon one-and-a-quarter inches in width, of black, watered, and edged with white stripes, each stripe sixteen millimetres in width.
