

4. GENERAL DESCRIPTION OF WORKS

The licensee is hereby authorized, subject to the conditions hereof, to construct, maintain, and use the following works for the purposes of this licence, the positions of the said works being indicated on the said plan S.H.D. 65:—

- (a) Headworks consisting of a dam and intake and water-race leading to the Pelton wheel and power-house hereinafter referred to, giving a static head of approximately 28 ft.:
- (b) Pelton wheel and power-house with all necessary equipment for generating electricity, situated in part Section 1, Block XI, Maruia Survey District:
- (c) Tail-race leading from the said power-house to the said Burnett's Creek:
- (d) Electric lines leading from the said power-house across part Section 1, Block XI, Maruia Survey District, and across the said unnamed stream to the licensee's dwelling situated in the said part Section 1.

5. DURATION OF LICENCE

This licence, unless sooner determined, shall continue in force until the 31st day of March, 1969, or until electrical energy is available from an Electric-power Board or other public source of supply, whichever is the earlier.

6. SYSTEM OF SUPPLY

The system of supply shall be as described in paragraph (d) of clause 21-01 of the Electrical Supply Regulations 1935, and shall be direct current.

7. RENTAL

For the purpose of assessing the rental or annual sum payable in respect of this licence, the licensee may install a suitable maximum-demand indicator to the satisfaction of the Inspecting Engineer of the State Hydro-electric Department, and failing such installation, the rental shall be determined on the maximum capacity of the generating plant installed. The present plant is rated at 2.5 kilowatts.

8. NO RIGHT TO WATER CONFERRED

This licence shall not of itself confer upon the licensee any right to water.

T. J. SHERRARD,
Clerk of the Executive Council.
