Validating Elections of Members to Represent the North-west Ward and the Greymouth Urban Area on the Canterbury Education Board

B. C. FREYBERG, Governor-General

ORDER IN COUNCIL

At the Government Buildings at Wellington, this 30th day of March, 1949

Present:

THE RIGHT HON. P. FRASER PRESIDING IN COUNCIL

WHEREAS the population of Greymouth according to the one thousand nine hundred and forty-five census exceeded eight thousand, and Greymouth thereupon became an urban area in the Canterbury Education District pursuant to section two of the Education Act, 1914 (hereinafter referred to as the said Act): And whereas the Greymouth Urban Area is entitled to be represented by two members on the Canterbury Education Board, but no election was held for the Greymouth Urban Area at either of the biennial elections in July, one thousand nine hundred and forty-six and one thousand nine hundred and forty-eight: And whereas Greymouth has hitherto been in the North-west Ward of the said district: And whereas at the election in July, one thousand nine hundred and forty-six, Frederick Lovell Turley was nominated pursuant to clause five, subclause three, of the Second Schedule to the said Act by two electors of the North-west Ward other than Greymouth and declared elected unopposed: And whereas pursuant to Regulation 3 of the Regulations for the Election of Members of Education Boards,* made under the said Act by Order in Council of the seventh day of May, one thousand nine hundred and eighteen, the said Frederick Lovell Turley recently elected to continue to represent the North-west Ward: And whereas at the election in July, one thousand nine hundred and forty-eight, James Frederick McDougall was nominated by one elector of the North-west Ward other than Greymouth and one elector of Greymouth and declared elected unopposed: And whereas the said James Frederick McDougall recently elected to continue to represent the North-west Ward: And whereas Claude Eric James and Ronald William Sansom were recently nominated to represent the Greymouth Urban Area on the Canterbury Education Board, and as the number of nominations did not exceed the number of vacancies the said Claude Eric James and Ronald William Sansom were declared elected as notified by the Returning Officer in the *Gazette* of the thirteenth day of January, one thousand nine hundred and forty-nine, at page 31: And whereas, notwithstanding the irregularities, it is expedient to validate the elections of and by the said Frederick Lovell Turley and the said James Frederick McDougall and the election of the said Claude Eric James and the said Ronald William Sansom:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance of clause eighteen of the Second Schedule to the said Act and of section seventy-one of the Local Elections and Polls Act, 1925, acting by and with the advice and consent of the Executive Council, doth hereby order and declare:—

1. That the election in one thousand nine hundred and forty-six of the said Frederick Lovell Turley and the election in one thousand nine hundred and forty-eight of the said James Frederick McDougall to represent the North-west Ward of the Canterbury Education Board shall be valid to all intents and purposes as though concurrent elections had been held for the Greymouth Urban Area on both occasions and as though the said James Frederick McDougall had been duly nominated by two electors of the North-west Ward other than Greymouth, and that the proceedings in connection with such elections shall not be called in question by reason only of such irregularities.

2. That the recited elections by the said Frederick Lovell Turley and the said James Frederick McDougall to continue to represent the North-west Ward on the said Board shall be valid to all intents and purposes and shall not be called in question by reason only of such irregularities or of the time at which such elections were made.
