

Price Order No. 1001 (Imported Goods—Hardware)

PURSUANT to the Control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

1. This Order may be cited as Price Order No. 1001.
2. This Order shall come into force on the 23rd day of May, 1949.
3. (1) This Order applies with respect to any goods of the kind specified in the Schedule hereto that have been or may hereafter be imported into New Zealand and in respect of which—
 - (a) Price Order No. 932* (as from time to time amended) relates; or
 - (b) An approval under section 16 of the Control of Prices Act, 1947, authorizing a selling-price has been given and is for the time being in force.
- (2) Where the said Price Order provides that the selling-price of any goods to which this Order applies shall be calculated by the addition of a specified amount or a specified percentage (either with or without any other amount) to the cost price of the goods, that cost price shall be calculated as if New Zealand currency had at all times been at parity with sterling, and the said Price Order shall be read and construed accordingly.
- (3) Where the importer of any goods to which this Order applies and in respect of which an approval under section 16 of the Control of Prices Act, 1947, authorizing a selling-price has been given and is for the time being in force, has paid or is liable to pay for the goods at a price calculated on the basis of the rate of exchange between New Zealand currency and sterling ruling immediately prior to the 18th day of August, 1948, the price authorized by any such approval relating to any such goods shall be reduced by an amount equal to the amount by which the cost of those goods to the importer would have been reduced if New Zealand currency had at all times been at parity with sterling, and every such approval shall be read and construed accordingly.
