P. N. HOLLOWAY, Member.
Pursuant to the control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

Part I.—Preliminary

1. This Order may be cited as Price Order No. 1005 and shall come into force on the 27th day of May, 1949.

2. (1) In this Order, unless the context otherwise requires,—

"Landed cost", in relation to any goods, means the actual price paid or payable for the goods by the importer thereof increased by the amount of any landing costs incurred by the importer in respect of the goods:

"Landing costs", in relation to any goods, means the costs incurred by the importer incidental to the importing of the goods from the country of origin into store at the port of entry in New Zealand, and includes any sales-tax payable by the importer in respect of the goods at the port of entry:

"Commercial consumer" means a person in business on his own account who permanently employs one or more registered wiremen and who buys goods for use in his business and not for resale in any form, and includes a body corporate that buys any such goods for use in any undertaking it is authorized to carry on and not for resale:

"Electrical contractor" means a person who carries on for hire or reward the business of installation of electrical goods to the satisfaction of any person or body corporate.

"Industrial user" means a person in business on his own account who buys goods to which this Order applies for the purpose of manufacturing articles for resale and includes an electrical contractor:

"Prevailing wholesale price", in relation to any goods, means the maximum price for the time being authorized, pursuant to this Order, to be charged for the goods by the wholesaler to the retailer buying the goods:

"Retailer" means a person who for the purposes of his business as a retailer maintains a shop open for business throughout normal trading hours and where at least one person (either the proprietor or an employee) is in attendance throughout those hours for the purpose of serving the public, and who sells any goods to which this Order applies to a buyer who does not intend to resell the goods:

"Wholesaler", in relation to the sale of any goods, means a person who sells the goods to a retailer, to an industrial user, or to a commercial consumer:

(2) No costs shall be deemed to be landing costs within the meaning of this Order unless the method of assessment of the costs has been previously approved in that behalf by the Director of Price Control.

(3) The landed cost and the prevailing wholesale price of any goods shall be computed in relation to such quantity of the goods as is sold in each instance by the wholesaler.

Part II.—Wholesale Charges

3. Subject to the provisions of this Order, this part of this Order applies with respect to the goods specified in the First Schedule hereto that are imported into New Zealand and that are not for the time being the subject of a Price Order (other than this Order) fixing the wholesale price of the goods or in respect of which an authorized wholesale selling-price is not for the time being fixed by the Tribunal, and which are sold by a wholesaler to a retailer, to an industrial user, or to a commercial consumer.

4. Subject to the provisions of this Order, the maximum price that may be charged by a wholesaler for any goods to which this Order applies when sold to a retailer or to an industrial user shall not exceed the sum of the following amounts:

(a) The landed cost of the goods:

(b) The maximum percentage of the landed cost specified in the second column of the First Schedule hereto in relation to the goods:

(c) Where the wholesaler's premises are situated at a place other than the port of entry, the appropriate proportion of transport costs payable by the wholesaler in respect of the transport of the goods from the port of entry to his premises:

Provided that transport costs calculated under this paragraph shall not exceed the amount that would have been incurred had the goods been transported by a common carrier at current freight rates.

5. The maximum price that may be charged by any wholesaler for any goods to which this part of this Order applies that are sold by the wholesaler to a commercial consumer shall be the amount computed in accordance with the appropriate provisions specified in the third column of the First Schedule hereto in respect of the goods:

Provided that if, in the opinion of the wholesaler, any person or body corporate is not a commercial consumer in respect of any goods that the person or body corporate wishes to buy from the wholesaler, the wholesaler shall not be bound by the provisions of this clause in respect of the sale of those goods to that person or body corporate.

Part III.—Retail Charges

6. Subject to the provisions of this Order, this part of this Order applies to the goods specified in the First Schedule hereto that are imported into New Zealand and that are not for the time being the subject of a Price Order (other than this Order) fixing the retail price of the goods, or in respect of which an authorized retail selling-price is not for the time being fixed by the Tribunal and which are sold by a retailer.

7. (1) Subject to the provisions of this Order, the maximum prices that may be charged by a retailer for any goods to which this Order applies shall not exceed the sum of the following amounts:

(a) The prevailing wholesale price of the goods:

(b) Any sales-tax payable by the retailer in respect of the goods:

(c) The appropriate maximum percentage of the sum of the amounts specified in paragraphs (a) and (b) hereof, set out in the fourth column of the First Schedule hereto in relation to the goods:

(d) The appropriate proportion of transport costs incurred by the retailer in respect of the goods:

Provided that transport costs calculated under this paragraph shall not exceed the amount that would have been incurred had the goods been transported by a common carrier at current freight rates.

(2) If any goods to which this Order applies are imported by a retailer and sold by him as a retailer, the prevailing wholesale price in any such case shall be computed as if the goods had been imported by a wholesaler and sold by him to the retailer.

Part IV.—General

8. Every person, whether a wholesaler, a retailer, or an industrial user, who imports any goods to which this Order applies, shall, on receipt of the goods, forward to the Director of Price Control in such manner as he requires a return in respect of the goods in the form in the Second Schedule hereto:

Provided that where an importer has furnished a return under this clause in respect of any goods he shall not be obliged, unless specially requested to do so by the Director, to furnish a return in respect of other goods of the same kind, unless:

(a) The landed cost of the other goods is less than the landed cost of the goods to which the return already made relates; or

(b) The landed cost of the other goods is more than the landed cost of the goods to which the return already made relates and the importer proposes to charge more for such other goods as aforesaid.

9. If in respect of any lot of goods sold by a retailer the maximum price, calculated in accordance with this Order, is not an exact number of pence, the maximum price of the lot shall be computed to the next upward penny.

10. Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any wholesaler or retailer may authorize special maximum prices in respect of any goods to which this Order applies.

Price Order No. 1064 (Cheese)

Pursuant to the Control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:

Preliminary

1. This Order may be cited as Price Order No. 1064, and shall come into force on the 1st day of June, 1949.

2. (1) Price Order No. 881* is hereby revoked.

3. The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. (1) In this Order, unless the context otherwise requires,—

(1) The said "Orders" means the Control of Prices Act, 1947:

(2) "Export size", in relation to any cheese, means a cheese weighing or reputed to weigh approximately 80 lb.

(3) "Medium size", in relation to any cheese, means a cheese weighing or reputed to weigh approximately 20 lb.

(4) "Standard crate lot", in relation to a transaction for the sale of cheese, means a lot consisting of two cheeses of export size, or three cheeses of medium size, or six cheeses of pancake size.

(5) Terms and definitions expressed in the said Act and used in this Order have the meanings severally assigned thereto by that Act.

4. For the purposes of this Order, and notwithstanding anything to the contrary in the said Act, where a person who sells by retail to any one purchaser, for delivery at any one time, not less than three standard crate lots of export-size, medium-size, or pancake-size cheeses, whether or not all such standard crate lots contain the same size of cheeses, shall in respect of that sale be deemed to be a wholesaler, and the provisions of this Order as to maximum wholesale prices shall apply accordingly with respect to every such sale.

Application of This Order

5. (1) Except as otherwise provided herein, this Order applies only with respect to Cheddar cheese that is sold by a wholesaler or retailer, as the case may be, within four months after the date of its manufacture.

(2) For the purposes of this clause the date of the manufacture of any cheese shall be deemed to be the date indicated on the cheese in accordance with the requirements of the Dairy-produce Regulations 1938.

(3) Every person who sells any Cheddar cheese by retail (whether or not all the standard crate lots contain the same size of cheeses), shall keep, for a period of not less than four months, a record showing the date of the delivery of the cheese to the retailer, and also—

(a) If the whole cheese was sold, without cutting, the date of its sale; or

(b) In any other case, the date on which the cheese was first cut.

(4) In its application to sales by wholesalers, this Order applies only to the sale of export-size, medium-size, and pancake-size cheeses.

(5) In its application to sales by retailers, this Order applies to the sale of all Cheddar cheese referred to in subclause (1) of clause 5 hereof.

</tr>
</tbody>
</table>

(2) For the purposes of this clause the weight of any cheeses sold in crates shall be deemed to be their actual weight as at the time of the sale of the uncrated cheeses shall be deemed to be their actual weight when delivered to the purchaser.

Retailers' Prices

8. (1) The maximum price that may be charged or received by any retailer for any cheese to which this Order applies shall be determined for the purposes of the following provisions, namely—

(a) In the case of cheese sold by a retailer to whom supplies of Cheddar cheese are available, free of freight charges, for delivery at his store from any source whatever, the maximum retail price shall be 1s. 5d. a pound.

(6) In cases to which the last preceding paragraph does not apply, the maximum retail price shall be 1s. 4d. a pound, increased to the next upward halfpenny by the appropriate proportion of the freight charges incurred by the retailer in obtaining delivery at his store:

Provided that where any cheese to which this paragraph applies is obtained by the retailer from a source of supply that is not the most convenient of access to the retailer's store, the increase of the price per pound authorised by this paragraph shall not exceed the appropriate proportion of the freight charges that would have been incurred by the retailer if the cheese had been obtained from the source of supply most convenient of access to his store, and if delivery had been effected by a common carrier at current freight rates.

(2) Where the quantity of cheese sold by a retailer in any one transaction is not an exact number of pounds, the maximum price shall be computed at the rate per pound fixed in accordance with the last preceding subclause.

(3) If in respect of any cheese the retail price charged in accordance with the provisions of this clause is not an exact number of pence or halfpence, the maximum price shall be computed to the next upward halfpenny.

Special Prices Where Extraordinary Charges Incurred

9. Subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any wholesaler or retailer, may authorize special prices in respect of any cheese to which this Order applies where for any reason extraordinary charges (freight or otherwise) are incurred by the wholesaler or retailer. Any authority given by the Tribunal under this order may apply with respect to a period not exceeding six months from the date on which it was obtained from the person to whom it was directed, and may relate generally to all cheese to which this Order applies sold by the wholesaler or retailer while the approval remains in force.

Dated at Wellington, this 19th day of May, 1949.

(b) For woolpacks sold by a retailer carrying on business elsewhere than at one of the ports mentioned in paragraph (a) hereof: 10s. 3d. each, increased by the appropriate proportion of the freight charges incurred by the retailer in obtaining delivery from such one of the said ports as is most convenient of access to his store:

Provided that where any woolpacks to which this paragraph applies are obtained by the retailer elsewhere than from such one of the said ports as is most convenient of access to his store, the increase authorized by this paragraph shall not exceed the appropriate proportion of the freight charges that would have been incurred by the retailer if the woolpacks had been obtained from that port and if delivery had been effected at current freight rates.

(2) The maximum prices fixed by the last preceding subclause are fixed as for delivery f.o.r. or f.o.b. as the case may require.

(3) Where any woolpacks are delivered by a retailer otherwise than f.o.r. or f.o.b. the price that may be charged by the retailer shall be the appropriate price in terms of the foregoing provisions of this clause increased by the amount of the freight charges incurred by him in effecting delivery and then reduced by the amount of those charges that would have been incurred by a retailer who purchased woolpacks f.o.r. or f.o.b. as aforesaid.
