

APPLICATION OF EXISTING SINKING FUND

12. The existing sinking fund of the loan referred to in the First Schedule hereto shall at the date of conversion be applied by the Commissioners thereof, so far as it will extend in or towards making the following payments, in the following order of priority, namely:—

- (a) First, in payment in accordance with the direction of the local authority of the sum of thirty thousand two hundred and eighty-seven pounds sixteen shillings and tenpence (£30,287 16s. 10d.), being the amount of premium payable to the holder of the existing securities pursuant to the provisions of clause ten hereof.
- (b) Secondly, so far as it will extend and in accordance with the direction of the holder, in repayment as at the date of conversion of the principal secured by the existing securities issued in respect of such loan.

SECURITY

13. (1) As a security for the new securities the local authority shall forthwith, by resolution gazetted (in the form numbered (2) in the Second Schedule hereto), make and levy a special rate upon all rateable property in the area over which a special rate was made and levied as security for the loan specified in the First Schedule hereto to provide for the payment of the half-yearly instalments of principal and interest in respect of such securities.

(2) Subject to the provisions of this Order, the provisions of the Local Bodies' Loans Act, 1926, and of any other Act shall, so far as applicable and with all necessary modifications, apply with respect to such special rate, and with respect to the interest and other charges in respect of such securities, as if such special rate were made and levied in respect of a special loan raised under Part I of the said Local Bodies' Loans Act, 1926.

(3) Upon the making of such special rate every special rate heretofore made in respect of any existing securities converted into new securities in accordance with this Order shall cease to be a security for such existing securities.

(4) Provided, however, that nothing in this clause shall be deemed to extinguish the liability of any ratepayer for special rates outstanding in respect of the loan specified in the First Schedule hereto at the commencement of this Order.

COSTS OF CONVERSION

14. All costs, charges, and expenses incidental to the conversion shall be borne by the local authority.

At the Government House at Wellington, this 26th day of January, 1949

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

WHEREAS it is provided by section nine of the Local Authorities Interest Reduction and Loans Conversion Act, 1932-33, that, with the precedent consent of the Governor-General, given by Order in Council under section thirteen of the said Act after compliance with the provisions of Part II of the Act, and subject to and in accordance with the provisions of such Order in Council, any local authority may issue new securities in conversion of any existing securities to which the said Act applies:

And whereas by the said section thirteen it is further provided that the Governor-General, by the Order in Council giving his consent to the conversion of existing securities by a local authority, may make such provisions as he thinks fit with respect to all or any of the matters specified in the said section, and that, subject to the provisions of the said Act, every Order in Council under the said section shall have the force of law as if enacted in the said Act, anything to the contrary in any other Act or in any regulation made under the said Act, or any other Act notwithstanding:

And whereas it is provided by section twenty of the Finance Act (No. 2), 1935, that, notwithstanding the limitation of time prescribed by section fifteen of the said Local Authorities Interest Reduction and Loans Conversion Act, 1932-33, as extended by section twelve of the Local Authorities Interest Reduction and Loans Conversion Amendment Act, 1934, an Order in Council may be issued at any time under the aforesaid section thirteen of that Act making provision for the conversion, with the consent of the holder, of any securities whether or not they are existing securities to which the said Local Authorities Interest Reduction and Loans Conversion Act, 1932-33, applies:

And whereas the Opunake Electric-power Board (being a local authority within the meaning of the said Act) has issued securities in respect of the loan specified in the First Schedule hereto:
