(f) Quarryman.—A worker quarrying, shooting, or spalling stone in a quarry, but not a worker who merely loads trucks or drays.

## (g) Tradesman :—

First Grade: A worker who is able to set out and complete speedily and efficiently any and every kind of work within his trade.

Second Grade: A worker who by reason of incomplete training or limited skill or experience is capable of performing satisfactorily only a limited range of work within his trade, but possessing more skill and technical knowledge than a handyman.

## (h) Welder:

First Grade: A worker who has satisfied the requirements of the Works Department's complete arc-welding tests and possesses a sound knowledge of gas welding and cutting.

Second Grade: A worker capable of performing gas welding and

cutting, and down-hand arc-welding.
