(2) This Order shall come into force on the 19th day of September, 1949.

2. (1) Price Orders Nos. 665*, 829*, 924*, and 1055* are hereby revoked.

(2) The revocation of the said Orders shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

3. (1) In this Order, unless the context otherwise requires,—

"Bushel case", in relation to apples, means a package of the kind numbered 1 in the First Schedule to the New Zealand Apples and Pears Marketing Act, 1948, containing fruit Regulations 1940 Amendment No. 3, and, in relation to pears, means a package of the kind numbered 2 in the said Schedule.

Retailers' railway-station", in relation to sales by a wholesaler to a retailer, means the railway-station that is nearest or most convenient of access to the retailer's premises.

4. The provisions of this Order fixing prices by reference to the weight of the fruit to which any sale relates shall apply notwithstanding that in any case the seller may sell or purport to sell otherwise than by weight.

Application of this Order

5. This Order applies with respect to all sales of apples and pears grown in New Zealand.

6. The maximum prices fixed by this Order apply with respect to sales by auction as well as to other sales.

Maximum Wholesale Prices

7. (1) The maximum price that may be charged or received by any wholesaler for apples to which this Order applies shall be determined in accordance with the First Schedule hereto.

(2) The maximum price that may be charged or received by any wholesaler for pears to which this Order applies shall be determined in accordance with the Second Schedule hereto.

(3) The several wholesale prices fixed by this clause are fixed as for delivery by the wholesaler to the retailer at the wholesaler's store.

Where, with the concurrence or by direction of the Marketing Board, delivery to the retailer is effected at the retailer's railway-station, the price charged to the retailer's railway-station from the depot from which the fruit is actually supplied will be borne by the Marketing Board.

(4) The several wholesale prices fixed by this clause do not include the price of the case for which an additional charge may be made not exceeding 6d. in respect of a No. 1 or No. 2 case or 3d. in respect of a No. 6 case.

8. (1) For the purposes of the Third and Fourth Schedules hereto, the retailer's cost into store per bushel-case lot or in the case of apples or pears sold by him by way of retail sale shall be determined as if on the day of the retail sale he had bought the fruit from a wholesaler at the appropriate maximum wholesale price per bushel-case increased by the cost of the case:

(a) Where no transport expenses have been incurred by the retailer in effecting delivery into his shop or other premises, his cost into store per bushel-case lot shall be the appropriate maximum wholesale price per bushel-case increased by the cost of the case:

(b) Where any transport expenses have been actually and reasonably incurred by the retailer in effecting delivery into his shop or other premises as aforesaid of fruit delivered to him either at the wholesaler's railway-station, as the case may be, or at the retailer's cost into store per bushel-case shall be the appropriate maximum wholesale price per bushel-case plus an additional charge increased by the cost of the case and further increased by a proportionate part of the transport expenses increased by him as aforesaid (not exceeding in the case of transport expenses 6d. per bushel case or 3d. per half-bushel case, or the charges that would have been incurred if delivery had been effected by the holder of a goods-service licence under the Transport Licensing Act, 1931, at authorized rates, whichever is the less).

(2) If in respect of any variety or grade of apple or pear mentioned herein there is no maximum wholesale price ruling on the date of any retail sale, the maximum retail price shall be the maximum retail price that was last fixed in respect of such apple or pear.

(3) Notwithstanding anything in the foregoing provisions of this clause, if by reason of a reduction of the maximum wholesale price of any apples or pears the maximum retail price is reduced, the reduction of the maximum retail price shall not take effect until noon of the day on which the reduction of the maximum wholesale price took effect.

9. (1) Except as otherwise provided in this clause the maximum price that may be charged or received by any retailer for apples to which this Order applies, when sold by him in bushel-case or half-bushel-case lots or in 10 lb. lots, shall be determined in accordance with the Third Schedule hereto.

(2) Except as otherwise provided in this clause, the maximum price that may be charged or received by any retailer for apples to which this Order applies, when sold by him in bushel-case or half-bushel-case lots or in 10 lb. lots, shall be determined in accordance with the Fourth Schedule hereto.

10. Every retailer who offers or exposes for sale in any shop any apples or pears sold by him by way of retail sale shall keep in a prominent position in such proximity to the fruit to which this clause applies, in legible form, a ticket, placard, or label on which is set out briefly:—

(b) In the case of fruit sold otherwise than as aforesaid, the prescribed maximum price may be increased by 6d. per pound.

(7) If in respect of any apples or pears sold by a retailer the maximum price calculated in accordance with the foregoing provisions of this clause is not an exact number of pence or half-pence, the maximum price of the lot shall be rounded to the nearest half-penny.

(8) The several retail prices fixed by this clause include the price of cases or other containers in which the fruit is delivered to the purchaser.

Retailers to Exhibit Retail Prices

10. Every retailer who offers or exposes any apples or pears to which this Order applies for sale in any shop shall keep in a prominent position in such proximity to the fruit to which this clause applies, in legible form, a ticket, placard, or label on which shall be stated in legible and prominent characters the retail price per pound of the fruit.
