Price Order No. 1092 (Stationery)

Pursuant to the Control of Prices Act, 1947, the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:

1. This Order may be cited as Price Order No. 1092.

2. (1) This Order shall come into force on the 7th day of November, 1949.

(2) Every approval of an authorized wholesaler or retail selling-price under section 16 of the Control of Prices Act, 1947, and relating to any goods to which this Order applies is hereby revoked.

3. In this Order—

"Factory selling-price", in relation to any goods, means the maximum price approved pursuant to section 16 of the Control of Prices Act, 1947, at which the manufacturer thereof may sell the goods to a wholesaler;

"Landed cost", in relation to any goods, means the gross invoice cost of the goods increased by 1 per cent. thereof (to cover incidental expenses such as the cost of cables, letters of credit, bank interest (other than exchange), demurrage, carrier's waiting-time, warehousing, and transportation) and further increased by such charges as have been incurred with respect to—

(a) Packing;

(b) Lading and transport to ship;

(c) Insurance;

(d) Overseas freight;

(e) Lading and delivery commission;

(f) Exchange;

(g) Local landings;

(h) Duty;

(i) Sales tax (where incurred at the time the goods are landed); and

then reduced by the amount of any discounts allowed.

"Prevailing wholesale price", in relation to any goods, means the maximum price for the time being authorized to be charged for the goods by the wholesaler to the retailer buying the goods.
**Fixing Maximum Wholesale Prices**

5. (1) Subject to the provisions of this Order the maximum price that may be charged by a wholesaler for any goods to which this Order applies when sold to a retailer shall not exceed the sum of the following amounts—

(a) The landed cost or the factory selling-price (as the case may be) of the goods.

(b) The maximum percentage of the landed cost or the factory selling-price (as the case may be) specified in the second column of the First Schedule hereto in relation to the goods:

(c) The appropriate proportion of any transport costs incurred by the wholesaler in obtaining delivery of the goods into his premises:

Provided that transport costs calculated under this paragraph shall not exceed the amount that would have been incurred had the goods been transported by the holder of a goods-service licence under the Transport Licensing Act, 1931, at authorized rates.

(2) Where at the date of the coming into force of this Order discount was customarily allowed with respect to any goods to which this Order applies the maximum prices of those goods fixed by the foregoing provisions of this Order shall be reduced by a discount of 2½ per cent. where payment is made on or before the 20th day of the calendar month following the calendar month in which delivery is made to the retailer.

**Fixing Maximum Retail Prices**

6. (1) Subject to the provisions of this Order the maximum price that may be charged by a retailer for any goods to which this Order applies shall not exceed the sum of the following amounts—

(a) The prevailing wholesale price of the goods to the retailer:

(b) Any sales tax payable by the retailer in respect of the goods:

(c) The appropriate maximum percentage of the sum of the amounts specified in paragraphs (a) and (b) hereof, set out in the third column of the First Schedule hereto in respect of the goods:

(d) The appropriate proportion of transport costs incurred by the retailer in respect of the goods:

Provided that transport costs calculated under this paragraph shall not exceed the amount that would have been incurred had the goods been transported by the holder of a goods-service licence under the Transport Licensing Act, 1931, at authorized rates.

(2) If in respect of any lot of goods the maximum price calculated in accordance with this clause is not an exact number of pence or halfpenny the maximum price of the lot shall be computed to the next upward halfpenny.

(3) If any goods to which this Order applies are imported by a retailer and sold by him as a retailer the prevailing wholesale price of the goods shall be deemed to be the price computed in accordance with clause 5 of this Order at which the goods would have been sold if the person importing the goods was a wholesaler selling to a retailer.

**General**

7. Every person, whether a wholesaler or a retailer, who imports any goods to which this Order applies, shall, on receipt of the goods, forward to the Director of Price Control in such manner as he requires a return in respect of the goods in the form of the Second Schedule hereto:

Provided that where an importer has furnished a return under this clause in respect of any goods he shall not be obliged, unless specially requested to do so by the Director, to furnish a return in respect of other goods of the same kind unless—

(a) The landed cost of the other goods is less than the landed cost of the goods to which the return already made relates; or

(b) The landed cost of the other goods is more than the landed cost of the goods to which the return already made relates and the importer proposed to charge more for such goods as aforesaid.

8. Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any wholesaler or retailer, may authorize special maximum wholesale or retail prices in respect of any goods to which this Order applies where special circumstances exist or for any reason extraordinary charges (weight or otherwise) are incurred by the wholesaler or retailer. 2. (1) Price Orders Nos. 367,† 638†, and 977, and every approval of an authorized wholesale selling-price (other than an approval of an authorized wholesale selling-price for tricycles or pedal cars where the percentage that may be added to the landed cost or the factory selling-price (as the case may be) is less than 22 per cent.) in the case of pedicars or 20 per cent. in the case of tricycles) or retail selling-price in force under the Control of Prices Act, 1947, and relating to any goods to which this Order applies, are hereby revoked.

(3) Every person, whether a wholesaler or retailer, who imports any toys to which this Order applies, shall, on receipt of the toys, forward to the Director of Price Control in such manner as the Director requires, a return in respect of the toys on the Form P.C. 13:

Provided that where an importer has furnished a return under this clause in respect of any toys he shall not be obliged, unless specially requested to do so by the Director, to furnish a return in respect of other toys of the same kind unless—

8. Notwithstanding anything in the foregoing provisions of this Order, and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any wholesaler or retailer, may authorize special maximum prices in respect of any toys to which this Order applies where special circumstances exist or for any reason extraordinary charges (freight or otherwise) are incurred by the wholesaler or retailer.
