(4) Subject to the provisions of this Order, the provisions of sections forty to forty-four of the Local Bodies’ Loans Act, 1926, shall, as far as applicable, and with all necessary modifications, apply in respect of conversion of such sinking fund: Provided always that the provisions of the said sections or in this Order shall authorize the removal or suspension of the Public Trustee as Commissioner of such sinking fund.

(b) Secondly, in accordance with the directions of the local authority of the sum of three thousand two hundred and eighty-eight pounds six shillings (£3,288 6s. 6d.), being the amount of the premium payable to the holder of the existing securities pursuant to the provisions of clause ten hereof:

(3) Upon the making of such special rate every special rate theretofore made in respect of any existing securities converted into new securities in accordance with this Order shall cease to be a security for such existing securities.

(4) Provided, however, that nothing in this clause shall be deemed to extinguish the liability of any ratepayer for special rates outstanding in respect of the loan enumerated in the First Schedule hereto at the commencement of this Order.

COSTS OF CONVERSION

15. All costs, charges, and expenses incidental to the conversion shall be borne by the local authority.

Estimated Areas Under Wheat, Oats Barley, and Potatoes (Season 1948-49)

Census and Statistics Department, Wellington, 1st December, 1949.

As in previous years, cards were sent out by post to grain-growers and to potato-growers throughout New Zealand asking them to state what areas they had sown or planted, or intended to sown or plant, in wheat, oats, barley, peas, and potatoes this season. It may be well to note that only holdings of 1 acre and outside borough boundaries are covered by the figures appearing below. In the case of potatoes a fair amount is grown on the smaller holdings and on holdings situated within boroughs.
