The Servicemen’s Settlement and Land Sales Act, 1943, Notice Declaring Land Taken for the Settlement of a Discharged Serviceman

Whereas an application has been made for the consent of the Land Valuation Court to a transaction which relates to the land described in the Schedule hereto and to which Part III of the Servicemen’s Settlement and Land Sales Act, 1943, applies:

And whereas the Land Valuation Committee to which the application has been made is of opinion that the land to which the application relates is farm land suitable for the settlement of a discharged serviceman:

And whereas the said committee, not being satisfied that the Crown had decided not to acquire or arrange for the acquisition of the land, did on the 22nd day of November, 1949, make an order determining the basic value of the land and no appeal from the said order was made within the time prescribed by the said Act or within any further time allowed by the Court.

And whereas the said land is not the land of any serviceman who is for the time being serving outside New Zealand in any of His Majesty’s Forces or in any British ship:

Now, therefore, the Minister of Lands, acting in pursuance of section 31 of the said Act, doth hereby declare that the said land is taken for the settlement of a discharged serviceman, and hereby specifies the 18th day of January, 1950, as the date on which the said land shall be deemed to be vested in His Majesty the King.
