PRELIMINARY

- This Order may be cited as Price Order No. 1118, and shall come into force on the 1st day of February, 1950.

The expression “f.o.r.” means “free on rail the grower’s station.”
- The provisions of this Order shall apply notwithstanding that any wheat to which this Order is applicable is sold otherwise than by weight.
- The several prices fixed by this Order apply with respect to sales by auction as well as to other sales.
- Where any wheat to which this Order applies is sold on the basis of sacks extra the maximum prices that may be charged or received for the wheat shall be computed on the weight of the wheat without the sacks.
- Where any wheat to which this Order applies is sold on the basis of sacks included the maximum prices that may be charged or received for the wheat shall be computed on the total weight of the wheat and the sacks.

*Grower's Prices*

- (1) The maximum price that may be charged or received by any grower for any wheat to which this Order applies shall be 9s. 5d. per bushel.

- The cost of the wheat to the distributor at the point at which he takes delivery:
- The amount of any transport charges actually and reasonably incurred between the point at which delivery is taken by the distributor and his premises, being not more in any case than the charges that would have been incurred had delivery been effected at common carrier rates:
