(b) That the artificial aid is manufactured either by the Disabled Servicemen's Re-establishment League or by the splints department of a public hospital, or is of a type approved by the Director-General of Health.

(c) That the artificial aid can, in the opinion of the manufacturer's orthopaedic surgeon employed or engaged by a hospital board, still be serviceable and capable of satisfactory repair.

(d) That the artificial aid is in the possession of the patient or shall be deemed to be in the possession of the patient.

(e) That the patient is satisfied that the artificial aid shall not be supplied or repaired as an orthopaedic surgeon on the grounds that a duplicate or replacement artificial aid shall be necessary for the patient in his employment.

(f) That where the artificial aid is limb socks, there will be an initial supply only of not more than 6 pairs for each artificial arm, hand, leg, or foot: Provided that nothing in this condition shall be deemed to authorize the supply of any limb socks in respect of a duplicate of an artificial arm, limb, hand, leg, or foot.

DARGAVILLE FIRE BOARD

NOTICE OF INTENTION TO TAKE LAND

In the matter of the Fire Services Act, 1949, and the Public Works Act, 1928.

NOTICE is hereby given that the Dargaville Fire Board proposes, under the provisions of the above-mentioned Acts, to execute a public work—namely, the erection of buildings for fire board purposes—and for the purpose of such work the land described in the Schedule hereto is required to be taken. A plan of the said land so to be taken is deposited in the office of the Secretary, Mr. A. J. Callaghan, Burgess Building, Victoria Street, Dargaville, and in open for inspection by all persons during office hours.

And the execution of the said public work or by the taking of the said land must state their objections in writing and send same, within forty days from the first publication of this notice, to the Dargaville Fire Board, care of Mr. A. J. Callaghan, Burgess Building, Victoria Street, Dargaville.

SCHEDULE

Area of land to be taken:—17 ½ acres, being the residue of the land on Deposited Plan 15494, being portion Tunatahi Block, Block XV, Kaihu Survey District, coloured brown on plan S.O. 36307; and also 394 ½ acres, being Lot I on Deposited Plan 16000, being portion of the said block, coloured yellow on the said plan.

Dated the 19th day of February, 1951.

A. J. CALLAGHAN, Secretary to Dargaville Fire Board.

961

The above resolution was passed at the meeting of the Horowhenua Electric-power Board held on the 24th day of January, 1951.

In the matter of the Companies Act, 1933, and of all other powers thereinunto enabling, the Springs-Ellesmere Electric-power Board hereby resolves as follows:—

"That, whereas by a resolution of the Board passed on the 12th day of December, 1949, and published in the New Zealand Gazette on the 29th day of January, 1950, at page 78, the Board made and levied a special rate of one-fifteenth of a penny (\(\frac{1}{15}d\)) in the pound on the rateable value (on the basis of the capital value) of all rateable property in the Springs-Ellesmere Electric-power District for the purpose of providing the interest, sinking fund, and other charges on the Board's No. 8 Reticulation Loan, 1949, of £50,000; And whereas it has been found that the said special rate of one-fifteenth of a penny (\(\frac{1}{15}d\)) in the pound is insufficient to provide for payment both of the interest, sinking fund, and other charges on the portion of the said loan disposed of.

I hereby certify that the above is a copy of the resolution making a special rate that was duly passed at a meeting of the Springs-Ellesmere Electric-power Board held at Leeston on the 12th day of February, 1951.
