SPRINGS-ELLESMERE ELECTRIC-POWER BOARD

RESOLUTION MAKING SPECIAL RATE

IN pursuance and exercise of the powers vested in it in that behalf by the Local Bodies' Loans Act, 1926, and of all other powers it thereunto enabling, the Springs-Ellesmere Electric-power Board hereby resolves as follows:—

“That, whereas by a resolution of the Board passed on the 12th day of December, 1949, and published in the *New Zealand Gazette* on the 26th day of January, 1950, at page 78, the Board made and levied a special rate of one-fifteenth of a penny ($\frac{1}{15}$ d.) in the pound on the rateable value (on the basis of the capital value) of all rateable property in the Springs-Ellesmere Electric-power District for the purpose of providing the interest, sinking fund, and other charges on the Board's No. 8 Reticulation Loan, 1949, of £50,000: And whereas it has been found that the said special rate of one-fifteenth of a penny ($\frac{1}{15}$ d.) in the pound is insufficient to provide for payment both of the interest, sinking fund, and other charges on the portion of the said loan (amounting to £20,000) which has already been raised, and of the fifty equal aggregate half-yearly instalments by which the principal portion of the residue of £30,000 of the said loan, together with interest thereon, is to be repaid, and of other charges (if any) thereon, the Board, pursuant to the powers conferred upon it by section 23 of the Local Bodies' Loans Act, 1926, doth hereby increase the said special rate to one-tenth of a penny ($\frac{1}{10}$ d.) in the pound.”

I hereby certify that the above is a copy of the resolution making a special rate that was duly passed at a meeting of the Springs-Ellesmere Electric-power Board held at Leeston on the 12th day of February, 1951.
