Open Seasons for Imported Game and/or Native Game in Certain Acclimatization Districts

Pursuant to the Animals Protection and Game Act, 1921-22, the Minister of Internal Affairs doth hereby declare open seasons for imported game and/or native game, of the kinds specified, and in the acclimatization districts specified in the First Schedule hereto, except in the “Excepted Areas” specified in the Second Schedule hereto, during the periods set forth in relation to each district, subject in all cases to the following general conditions and subject to the special conditions specified in relation to each district, and doth hereby call the attention of sportsmen and others to the enactments and provisions and matters set forth or referred to in the Third and Fourth Schedules hereto. Any person taking or killing any imported game or native game otherwise than in terms of this notification (including the general conditions hereinafter set out and the special conditions specified in relation to any acclimatization district), is liable on conviction to a fine of £20.

GENERAL CONDITIONS

1. No person shall commence shooting earlier than one hour before sunrise or continue shooting later than one hour after sunset on any day during the open season concerned (except in the Acclimatization Districts of Auckland, Otago, and Wellington where special conditions apply; see Auckland Special Condition No. 5, Otago Special Condition No. 4, and Wellington Special Condition No. 2.)

2. (a) No person shall use live birds of any species as decoys.
   (b) No person shall use more than fifteen artificial decoys at any one time (except in the Auckland Acclimatization District where the number of artificial decoys shall be not more than ten).
   (c) No person shall use artificial decoys at any time unless such decoys are securely anchored nor shall place any such artificial decoys within 100 yards of the nearest of any other artificial decoys set out by any other persons.
   (d) Every person using artificial decoys in accordance with this notification shall prevent them from spreading over an area greater than 30 yards square and shall prevent them from coming within 100 yards of the nearest of any other artificial decoys set out by any other person.
   (e) In the Southland Acclimatization District not more than three persons shall at any one time take or kill or attempt to take or kill native game over the same set of artificial decoys.
   (f) In the Waimarino Acclimatization District no person shall at any time use artificial decoys of any kind whatsoever.
   (g) In the North Canterbury Acclimatization District no person shall use artificial duck decoys save during the period 5th May to 27th May, 1951 (both days inclusive).
   (h) No person shall in any place during the period in the place of the open season hereby declared, use, in connection with the taking or killing of imported and/or native game, any form of decoying game by the aid of corn, wheat, oats, barley, maize, or any other grain or any products of grain or any other food placed by any person in or near the margin of any river, stream, lagoon, pond, swamp, estuary, or other water.

3. No person shall use or cause to be used any motor-vehicle in connection with the taking or killing of imported and/or native game: Provided that this condition shall not be so construed as to prohibit the use of any motor-vehicle for the purpose of travelling either generally or to or from a rendezvous.

4. No person shall use or cause to be used for the purpose of taking or killing any imported or native game any unmoored floating stand, pontoon, hide, mai-mai, or loo, or any boat artificially dressed or covered in any way.

5. No person engaged in shooting from any shelter, mai-mai, mudhole, boat, louvre, or other contrivance shall use more than one gun: Provided that a person so engaged may have a second gun in a condition not immediately suitable for use, and held for use only in the event of the first gun becoming damaged or otherwise unfit for use.

LICENSE FEES

6. (a) The fee for a licence to take or kill imported game and native game in all districts is as set out in regulation 5, Animals Protection and Game Regulations 1939, as replaced by clause 3 of amendment No. 6, dated 20th February, 1951, and in the licence forms in respect of each district:

ISSUE OF LICENSES

(b) In all acclimatization districts other than the Rotorua Acclimatization District and the Southern Lakes Acclimatization District, the Secretary of the acclimatization society concerned or any person authorized by him in writing is hereby authorized to sign and issue licences.

(c) In the Rotorua Acclimatization District and in the Southern Lakes Acclimatization District the Under-Secretary of the Department of Internal Affairs, Wellington, or any person appointed by him for that purpose, is hereby authorized to sign and issue licences.

**Special Conditions.**—(a) No person shall take or kill imported or native game on the 5th, 6th, or 7th days of May, 1951, while occupying any stand, hide, loo, or position, as commonly used by duck-shooters (hereinafter referred to as a stand) which has been duly claimed by any other licence-holder in accordance with the following provisions:—

1. A stand may be claimed by the planting thereon at any time after 8 a.m. on the 22nd day of April, 1951, of a stake with a board attached having plainly marked thereon the name and full postal address of the claimant and the number of his licence; 
2. No person shall claim more than one stand; 
3. No stand shall be claimed on or within 100 yards of a stand which has already been duly claimed by any other person, except with the consent of such last-mentioned person: 

Provided, however, that any stand which is not occupied by the claimant within half an hour after sunrise on any of the aforesaid days may be occupied on that day by any other licence-holder. 

Provided further that nothing in this clause contained shall be deemed to affect in any way whatsoever the rights of owners or occupiers of any lands in respect of shooting on such lands. 

2. For the number of decoys which may be used see paragraph 2 (b) of General Conditions. 
3. No person shall use or cause to be used for the taking or killing of imported and native game on Lake Waikare any fixed stand, pontoon, hide, mai-mai, or loo except within 200 yards of the water's edge of the said lake. 
4. No person shall use or cause to be used for the taking or killing of imported game and native game on Lake Ngakoro any fixed stand, pontoon, hide, mai-mai, or loo except within 90 yards of the water's edge of the said lake. 
5. No person shall commence shooting earlier than 6.30 a.m. nor continue shooting after 8 p.m. on any day during the open season. 

**Special Conditions.**—No person shall take or kill imported or native game on the 5th, 6th, or 7th days of May, 1951, while occupying any stand, hide, loo, or position, as commonly used by duck-shooters (hereinafter referred to as a stand) which has been duly claimed by any other licence-holder in accordance with the following provisions:—

(a) A stand may be claimed by the planting thereon at any time after noon on the 24th day of April, 1951, of a stake with a board attached having plainly marked thereon the name and full postal address of the claimant and the number of his licence; 
(b) No person shall claim more than one stand; 
(c) No stand shall be claimed on or within 100 yards of a stand which has already been duly claimed by any other person, except with the consent of such last-mentioned person: 

Provided, however, that any stand which is not occupied by the claimant within half an hour after sunrise on any of the aforesaid days may be occupied on that day by any other licence-holder. 

Provided further that nothing in this clause contained shall be deemed to affect in any way whatsoever the rights of owners or occupiers of any lands in respect of shooting on such lands. 

2. For the number of decoys which may be used see paragraph 2 (b) of General Conditions. 
3. No person shall use or cause to be used for the taking or killing of imported and native game on Lake Whakare any fixed stand, pontoon, hide, mai-mai, or loo except within 200 yards of the water's edge of the said lake. 
4. No person shall use or cause to be used for the taking or killing of imported game and native game on Lake Ngakoro any fixed stand, pontoon, hide, mai-mai, or loo except within 90 yards of the water's edge of the said lake. 
5. No person shall commence shooting earlier than 6.30 a.m. nor continue shooting after 8 p.m. on any day during the open season.
