Decisions Under Customs Acts

IT is hereby notified for public information that it has been decided to interpret the Customs Acts in relation to the under-

mentioned articles as follows:

NOTES—(a) "Not elsewhere included" appears as n.e.i.; "other kinds" as n.o.k.; "articles and materials suitably for, and to be used solely in, the fabrication of goods within New Zealand" as and n.o. (b) Articles marked thus * are revised decisions. (c) The rates of duty payable on goods set out hereunder have not been shown except in the case of goods classified under Tariff Items 145, 146, and 446, and of goods admitted (under the provisions of section 11 of the Customs Amendment Act, 1931) at a rate of duty lower than that provided for in the First Schedule to the Customs Acts Amendment Act, 1934. Where goods are admitted under the provisions of section 11 aforesaid, the reduced rate is marked with an asterisk. (d) Steam-engines, gas-engines, oil-engines, and electric or other motors are not, unless otherwise indicated, to be regarded as parts of the machines with which they are imported. (e) Surtax as provided for in section 5 of the Customs Acts Amendment Act, 1930, or primage duty as provided for in section 4 of the Customs Acts Amendment Act, 1931, as the case may be, is payable in addition to the duties set out hereunder.
