New Zealand Gazette

Supplement to the

New Zealand Gazette

Of

Thursday, 21 February 1952

Published by Authority

Wellington, Wednesday, 27 February 1952

IMPORTANT.—The information published in full in this Gazette will be published again in like form in 1957. In the intervening years this Gazette will contain details of the Minister's decision relating to game that may be hunted, the dates between which such game may be hunted, bag limits, and any amendments to the General Conditions, Special Conditions, and Exempted Areas published in this Gazette.

Acclimatization societies are asked to ensure that all purchasers of shooting licences are placed in possession of a full statement of their rights, duties, and obligations during the shooting season.

Open Seasons for Imported Game and/or Native Game in Certain Acclimatization Districts

Pursuant to the Animals Protection and Game Act 1921-22, the Minister of Internal Affairs doth hereby declare open seasons for imported game and/or native game, of the kinds specified, and in the acclimatization districts specified in the First Schedule hereto, except in the Exempted Areas specified in the Second Schedule hereto, during the periods set forth in relation to each district, subject in all cases to the following general conditions and subject to the special conditions specified in relation to each district, and doth hereby call the attention of sportsmen and others to the enactments and provisions and matters set forth or referred to in the Third and Fourth Schedules hereto. Any person taking or killing any imported game or native game otherwise than in terms of this notification (including the general conditions hereinafter set out and the special conditions specified in relation to each acclimatization district) is liable on conviction to a fine of £20.

General Conditions

Restrictions

1. No person shall shoot except in accordance with the daily hours of shooting approved in individual acclimatization districts as under:

   Between

   6.15 a.m. and 6.30 p.m.: Wellington.

   6.30 a.m. and 6 p.m.: Bay of Islands, Hobson, Mangonui, Whangaroa, and Whangarei.

   6.30 a.m. and 6.30 p.m.: Auckland, Taupanga, Waipaoa, East Coast, Hawke's Bay, Waimarino, Stratford, Taranaki, Hawera, and Wanganui.

   7 a.m. and 7 p.m.: Otago (waterfowl, quail, and chukar) and Southland.

   8 a.m. and 7 p.m.: Otago (pheasants).

2. (a) No person shall use live birds of any species as decoys.

   (b) No person shall use more than fifteen artificial decoys at any one time (except in the Auckland Acclimatization District where the number of artificial decoys shall be not more than ten).

   (c) No person shall use artificial decoys at any time unless such decoys are securely anchored nor shall place any such artificial decoys within 100 yards of the nearest of any other artificial decoys set out by any other persons.

   (d) Every person using artificial decoys in accordance with this notification shall prevent them from spreading over an area greater than 30 yards square and shall prevent them from coming within 100 yards of the nearest of any other artificial decoys set out by any other person.

   (e) In the Southland Acclimatization District not more than three persons shall at any one time take or kill or attempt to take or kill native game over the same set of artificial decoys.

   (f) In the Waimarino Acclimatization District no person shall at any time use artificial decoys of any kind whatsoever.

   (g) In the North Canterbury Acclimatization District no person shall use artificial duck decoys save during the period within which waterfowl may be taken or killed.

   (h) No person shall in any place during the period in that place of the open season hereby declared, use, in connection with the taking or killing of imported and/or native game, any form of decoying game by the aid of corn, wheat, oats, barley, maize, or any other grain or any products of grain or any other food placed in a condition not immediately suitable for use, and held for use only in the event of the first gun becoming damaged or otherwise unfit for use.

Licence Fees

6. (a) The fee for a licence to take or kill imported game and native game in all districts is as set out in regulation 5, Animals Protection and Game Regulations 1939, and amendments, and in the licence forms in respect of each district.

Issue of Licences

6. (b) In all acclimatization districts other than the Rotorua Acclimatization District and the Southern Lakes Acclimatization District, the Secretary of the acclimatization society concerned or any person authorized by him in writing is hereby authorized to sign and issue licences.

(c) In the Rotorua Acclimatization District and in the Southern Lakes Acclimatization District the Secretary of the Department of Internal Affairs, Wellington, or any person appointed by him for that purpose, is hereby authorized to sign and issue licences.

THIRD SCHEDULE

The attention of sportsmen and others is called to the provisions of the undermentioned enactments:—

SANCTUARY

Animals Protection and Game Act, 1921-22, Section 6

(1) The Governor-General may from time to time, by Warrant under his hand, declare any area described in such Warrant to be a sanctuary, and may in like manner revoke any such Warrant.

(2) While any such Warrant remains in force it shall not be lawful for any person, except pursuant to an authority granted under section thirty-one or section thirty-two of this Act, to take or kill in the area affected thereby any imported game or native game, or for any person, except under such conditions as may from time to time be prescribed by the Minister, to take any dog or firearm into such area, or to discharge any firearm or explosive in such area, or to do anything likely to cause any such animal to leave such area.

(3) Every reserve under the Scenery Preservation Act, 1908, shall be deemed to be a sanctuary under this Act.

(4) Every person who unlawfully takes or kills any animal within a sanctuary is liable to a fine of ten pounds for every such offence, and to a further fine of one pound for each animal so taken or killed.

Method of Taking Restricted

Animals Protection and Game Act, 1921-22, Section 11 (1)

(1) No imported or native game shall be trapped or taken by means of traps or by any other means than by hunting or shooting, nor shall any trap, net, or snare be erected or set for the purpose of such trapping or taking at any time whatever, except by any person duly authorised under section thirty-one hereof.
(1) No person shall kill or destroy any imported game or native game, or shoot at, or attempt to shoot at, any imported game or native game, with any swivel gun or pump gun, or use any gun other than a shoulder gun.

(2) No gun shall be used for the purposes aforesaid the bore of which is larger than the size known as number twelve at the muzzle, nor shall any gun be used which exceeds ten pounds in weight.

Animals Protection and Game Regulations 1939, Regulation 6 (1)

(1) In addition to the prohibitions contained in sections 12 and 13 of the Act, no person shall kill or destroy any imported game or native game, or attempt to shoot at or attempt to shoot at any such imported game or native game, with any automatic, auto-loading, or repeating gun capable of holding more than two shells, the magazine of which has not been cut off or plugged with a one-piece metal or wooden filler incapable of being removed without disassembling the gun, or with any rifle, pestle, or punt gun, nor shall any person use any cartridge of a length exceeding 2½ in. for the purposes above described.

Animals Protection and Game Act, 1921-22, Section 13

(1) No person shall use any cylinder for the purpose of taking or killing imported or native game or native game without the authority of the occupier thereof or upon any State forest or provisional licence or other authority under this Act shall entitle the holder in which case he shall not himself take or kill imported game or native game, or shoot at or attempt to shoot at or attempt to shoot at any such imported game or native game, with any automatic, auto-loading, or repeating gun capable of holding more than two shells, the magazine of which has not been cut off or plugged with a one-piece metal or wooden filler incapable of being removed without disassembling the gun, or with any rifle, pestle, or punt gun, nor shall any person use any cartridge of a length exceeding 2½ in. for the purposes above described.

Animals Protection and Game Act, 1921-22, Section 14 (1) and (3)

(1) No person shall take or kill any imported game or native game during an open season in any district unless he is the holder of a licence under this Act to take or kill imported game or native game in such district during that season.

(3) Notwithstanding anything in the foregoing provisions of this section, any person in bona fide occupation of any land, and any son or daughter of such person, may during an open season take or kill on that land without a licence (but subject to all other restrictions imposed by or under this Act) any imported game or native game that may lawfully be taken or killed under a licence in the district within the boundaries of which such land is situated, or such first-mentioned person may in writing appoint one or more other person to take or kill such game in his stead during such open season, in which case he shall not himself take or kill imported game or native game without a licence while such appointment remains in force.

Animals Protection and Game Act, 1921-22, Section 15

15. Nothing in any licence to take or kill imported game or native game shall authorize the holder thereof to take or kill imported game or native game on lands actually and exclusively used by any registered acclimatization society for acclimatization purposes, or on any sanctuary or public domain, or on any land excepted from the operation of the notification declaring an open season for the district.

Animals Protection and Game Act, 1921-22, Section 39

39. Except as otherwise expressly provided, nothing in any licence or other authority under this Act shall entitle the holder thereof to enter upon any private land without the consent of the owner or occupier thereof or upon any State forest or provisionable State forest.

Disturbing Stock

Statistics Amendment Act, 1947, Section 66 (1)

(1) Every person commits an offence and is liable to a fine of fifty pounds who, without the authority of the occupier, goes upon any private land with dog or firearm and disturbs any sheep or stock. The public are earnestly requested to assist in preserving for posterity the native birds of New Zealand.
