(a) The price actually paid or payable by the wholesaler: 

(b) An amount (not exceeding 4s. a ton) in respect of any potatoes actually received into and delivered from the wholesaler’s store, together with any grading, transport, or other charges actually paid by the wholesaler:

(c) An amount equal to 24 per cent of the sum of the amounts specified in paragraphs (a) and (b) hereof:

(d) An amount computed at the rate of $1 5s. a ton for lots of less than a half-baton, and at the rate of $1 5s. a ton in all other cases.

Computation of Distributors’ and Wholesalers’ Prices by Reference to Average Prices

15. In computing the maximum price that may be charged by any wholesaler or by any retailer for potatoes that have been acquired by him in different lots at different prices, the appropriate maximum price may, with the general or special approval of the Tribunal, and subject to any conditions that may be imposed by the Tribunal, be computed by reference to the average of the several prices paid for such potatoes.

Distributors and Other Wholesalers to Specify Grades of Potatoes on Relevant Invoices

16. (1) Every distributor or other wholesaler who sells any potatoes to which this Order applies shall specify in the relevant invoices, with respect to each item, the grade of the potatoes comprised in the item.

(2) For the purposes of this clause the term “grade” with respect to any lot of potatoes means, in the case may require, “good table”, or “f.a.q.” or “under-grade.”

Retailers’ Prices

17. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received by any retailer for potatoes, whether grown in New Zealand or imported into New Zealand (not exceeding in the aggregate $5. 6d. a ton) shall not exceed the sum of the following amounts—

(a) The price actually paid or payable by the retailer for the potatoes: 

(b) Any grading, transport, or other charges actually paid or payable by the retailer: 

(c) An amount equal to 2½ per cent of the sum of the amounts specified in paragraphs (a) and (b) hereof.

(2) The retail price of any potatoes, computed in accordance with the last preceding subclause, shall be calculated by reference to the prices and weights disclosed in the appropriate invoices.

(3) Notwithstanding anything to the contrary in the foregoing provisions of this clause, subject to the provisions of clauses (4) and (5) hereof, the retail price of potatoes to which this Order applies shall not in any case exceed the appropriate price set out in the Schedule hereeto.

(4) Where any potatoes to which this Order applies are sold by retail in lots of 14 lb. or 28 lb. or 56 lb. or 112 lb., the maximum retail price shall not in any case exceed—

(5) Where any potatoes to which this Order applies are sold by retail in any lot exceeding 14 lb., but otherwise than in a lot of the actual weight specified in the last preceding subclause, the maximum price per pound of any surplus over 14 lb. or over any multiple of 14 lb. (being less in every case than 14 lb.) shall be the appropriate maximum price set out in the Schedule hereeto.

18. Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as the Tribunal, on application by any retailer, may authorize special maximum retail prices in respect of any potatoes to which this Order applies where special circumstances exist or, for any reason (in the case of a lot less than 5 lb. or is not an exact number of pounds) the maximum price of the lot shall be the next highest halfpenny or the next highest penny, as the case may be. The provisions of this subclause shall apply notwithstanding that in any case the retailer purports to sell any potatoes otherwise than by weight.

19. Every retailer who offers or exposes any potatoes to which this Order applies shall, if any, as it thinks fit, the Tribunal, in the proper trade and in the market, and (in the case of a lot less than 5 lb. or is not an exact number of pounds) the maximum price of the lot shall be the next highest halfpenny or the next highest penny, as the case may be. The provisions of this subclause shall apply notwithstanding that in any case the retailer purports to sell any potatoes otherwise than by weight.

(7) For the purposes of this clause the price paid or payable by any retailer for any lot of potatoes and the grading, transport, and other charges paid or payable by him in respect of the same lot, shall be apportioned evenly over the whole lot, and the price and charges paid or payable by the retailer for each 1 lb. of potatoes, included in the lot shall be determined accordingly.

Retailers to Exhibit Prices

16. Every retailer who offers or exposes any potatoes to which this Order applies for sale at any price that in the opinion of the Minister of Agriculture his registered number may be given in place of his name and address.
