

LAKE WAKATIPU STEAMER SERVICE

GOODS AND LIVE-STOCK—*continued*

50. The Department reserves the right to decline to work cargo at calling-places not provided with wharves.

51. Fractions of a hundredweight will be charged as the next hundredweight.

52. The charges on goods and live-stock consigned to calling-places on Lake Wakatipu, other than Kingston or Queenstown, must be prepaid, except where such goods or live-stock are consigned to the holder of a ledger account.

53. Motor-vehicles charged with petrol or other motor-spirit will be accepted for conveyance by the Lake Wakatipu steamers only if the petrol-connectors are tight and the petrol is cut off between the supply-tank and the carburettor. Motor-vehicles which are not fitted with pumps or "cut-off" cocks between the tank and the carburettor will not be accepted for conveyance unless all motor spirit has been removed from the tank.

54. The Department reserves the right to decline to convey any motor-vehicle unless all the petrol is removed therefrom.
