(4) (i) Where the purchaser of any drink containing spirits requests a split-sized bottle of aerated water to be served with the drink, the maximum price that may be charged for any such bottle of aerated water shall be 4d. if served in the lounge or dining-room of licensed premises and 3d. if served elsewhere.

(ii) For the purposes of this Order the term "split-sized" in relation to any bottle means a bottle containing approximately 6 oz. and known in the hotel trade as split-sized.

(iii) Except as provided in paragraph (i) hereof, no additional charge may be made where any flavouring or diluting ingredient of a non-intoxicating nature is added to the drink.

(5) This clause shall not apply to drinks containing more than one kind of spirits.

(6) The maximum price of any brandy sold on licensed premises (otherwise than by the original bottle) for consumption off the licensed premises shall be at the rate of 1s. 4d. per ounce. In addition to that price a reasonable price may be charged for the bottle in which the brandy is delivered to the purchaser, but any charge so made shall be refunded to the purchaser on the return of the bottle.

FIXING MAXIMUM PRICES OF BEER TO WHICH THIS ORDER APPLIES

6. (1) Subject to the provisions of this Order, the maximum price that may be charged for beer by the licensee of licensed premises for consumption on the premises shall be—

(a) Where the capacity of the container in which the beer is served is not less than 10 oz. but is less than 12 oz.: 6d.

(b) Where the purchaser requests beer to be served in a container of a capacity of less than 10 oz. and the beer is served in any such container: 6d.

(c) Where the capacity of the container in which the beer is served is 12 oz. or more than 12 oz.: 7d.

Provided that where the beer is served in a container filled from the original bottle the maximum price of the drink shall be 7d., irrespective of the capacity of that container.

(2) Where beer is served in a lounge or a dining-room of licensed premises the maximum price of the drink shall be 1s., irrespective of the capacity of the container in which the drink is served.

7. Subject to the provisions of this Order, the maximum price that may be charged for beer by the holder of a conditional licence under the authority of that licence shall be—

(a) Where the capacity of the container in which the beer is served is less than 12 oz.: 6d.

(b) Where the capacity of the container in which the beer is served is 12 oz. or more than 12 oz.: 7d.

Provided that where beer is served in a container filled from the original bottle the maximum price of the drink shall be 7d., irrespective of the capacity of that container.

8. (1) Unless the purchaser otherwise requests, no beer the subject of a sale by any person to whom this Order applies, except beer served in a lounge or dining-room, or beer sold from its original bottle, or beer sold by the holder of a conditional licence under the authority of that licence, shall be served in a container of a capacity of less than 10 oz.

(2) Any container in which beer is served by a person to whom this Order applies shall be filled as nearly as reasonably possible to its full capacity.

(3) Where the purchaser of beer requests the addition of any flavouring or diluting ingredient of a non-intoxicating nature to his drink, the provisions of this clause shall apply as if all the drink consisted of beer.

GENERAL

9. Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by the licensee of any licensed premises, or by the holder of a conditional licence, may authorize special maximum prices in respect of any drinks to which this Order applies where special circumstances exist or for any reason extraordinary charges (freight or otherwise) are incurred by the applicant. Any authority given by the Tribunal under this clause may apply with respect to a particular drink or class of drinks or may relate generally to drinks to which this Order applies sold by the applicant while the approval remains in force. Any authority given under this clause shall be exhibited in the manner prescribed by clause 11 hereof in respect of Price Orders.

10. For the purposes of this Order liquor shall be deemed to be served in a lounge or a dining-room only if it is served to the purchaser by the licensee or his servant in the lounge or dining-room and not directly to the purchaser over a counter.

11. Every licensee of any licensed premises, and every holder of a conditional licence, shall keep a copy of this Price Order or a statement of the retail prices fixed thereby prominently displayed in every place in the licensed premises where drinks are sold or in every place of sale or disposal of liquor under the authority of the conditional licence (as the case may be) in such a position that customers may examine the Price Order or statement without having to ask for its production and without having to obtain permission to examine it.
