15. In computing the maximum price that may be charged by any distributor or by any wholesaler for potatoes that have been acquired by him in different lots at different prices, the appropriate

maximum price may, with the general or special approval of the Tribunal, and subject to any conditions that may be imposed by the Tribunal, be computed by reference to the average of the several prices paid for such potatoes.

16. (1) Every distributor or other wholesaler who sells any potatoes to which this Order applies shall specify in the relevant invoices, with respect to each item, the weight and the grade of the potatoes comprised in the item.

(2) For the purposes of this clause the term "grade" with respect to any lot of potatoes means, as the case may require, "good table" or "f.a.q." or "under-grade."

(3) Where no grade is specified in any invoice, the potatoes referred to in the invoice, shall, for the purpose of this order be deemed to be "under-grade."
