   (2) Where any such potatoes are delivered by the grower otherwise than f.o.r.s.e. a railway-station in the South Island, the actual price to be charged by the grower may be increased by the charges (if any) incurred by the grower in effecting delivery, and then reduced by the charges that would have been incurred by the grower if delivery had been effected by a common carrier at current freight rates to the railway-station that is nearest or most convenient of access to the grower's premises.

Growers' Maximum Prices for Certified Seed Potatoes that are Not "Standard-sized"

8. The maximum price that may be charged by any grower for any certified seed potatoes to which this Order applies that are not "standard-sized" shall be the price that would have been the actual price of those potatoes if they had in fact been "standard-sized.

Specifications of f.a.q. Uncertified Seed Potatoes

9. For the purposes of this Order uncertified seed potatoes shall be deemed to be f.a.q. or under-grade, as the case may be, in accordance with the following rules:

   (a) Rule as to Size.—Uncertified seed potatoes that are less than 2 oz. in weight shall be deemed to be under-grade.

   (b) Rule as to Quality.—If in any lot of uncertified seed potatoes more than 6 per cent. by weight of the lot is affected by dry or dead, or by second growth or other defects, or if the lot is not reasonably free from earth or from sprouts, all the potatoes in the lot shall be deemed to be under-grade.

Growers' Maximum Prices for Uncertified Seed Potatoes

10. (1) The maximum price (f.o.r.s.e. a railway-station in the South Island) that may be charged by any grower for any f.a.q. uncertified seed potatoes to which this Order applies shall be determined in accordance with the scale set forth in the Schedule hereto.
   (2) Where any potatoes to which this clause applies are delivered by the grower otherwise than f.o.r.s.e. a railway-station in the South Island, the maximum price that may be charged by the grower may be increased by the charges (if any) incurred by the grower in effecting delivery, and then reduced by the charges that would have been incurred by the grower if delivery had been effected by a common carrier at current freight rates to the railway-station that is nearest or most convenient of access to the grower's premises.

11. (1) Subject to the provisions of the next succeeding clause, the price (sacks included) that may be charged by any grower for any seed potato to which this Order applies shall not exceed the sum of the following amounts—

(a) The price actually paid or payable to the grower by any other grower, may in its discretion authorize special prices or margins for any certified seed potatoes of a recently imported or extraordinary variety, and shall, upon application by any grower, and upon such conditions as it may think fit, authorize special prices or margins for any certified seed potatoes of a recently imported or extraordinary variety, and shall, upon application by any grower, in respect of any potato lot arrived in the New Zealand market, and shall, upon application by any grower, in respect of any potato lot arrived in the New Zealand market,

(b) Any grading, transport, or other charges (not including brokerage) actually paid by the same or any other distributor by way of brokerage, not exceeding in the aggregate 2½ per cent of the sum of the amounts specified in paragraphs (a), (b), and (c) hereof.

(2) Notwithstanding anything to the contrary in this Order, the provisions of this clause as to the computation of distributors' prices shall apply with respect to every sale by a person who is ordinarily engaged in business as a distributor to a person who is ordinarily engaged in business as a wholesaler, notwithstanding that in any such case the purchaser may sell by way of retail any potatoes acquired by him from the distributor.

12. Where any wholesaler who does not normally carry business as a distributor sells any potatoes to another wholesaler (thus becoming a distributor in respect of that transaction), the price to be charged by the wholesaler may in its discretion be fixed by the provisions of this Order: Provided that in any case the maximum price that may be charged by the purchasing wholesaler in accordance with the next succeeding clause shall be determined as if he had bought those potatoes at the price paid by the wholesaler from whom he bought them.
