Price Order No. 1554 (Raw-leaf Tobacco)

Pursuant to the Control of Prices Act 1947, the Price Tribunal hereby makes the following Price Order:

1. This Order may be cited as Price Order No. 1554, and shall come into force on the 11th day of June, 1954.

2. In this Order—

"Flue-cured leaf" means leaf that has been treated in the kiln for at least three successive days immediately after picking for the purpose of yellowing, fixing colour, drying, and drying mid-ribs.

"Air-dried leaf" means leaf other than flue-cured leaf.

"Raw tobacco" means unmanufactured tobacco, and includes the leaves and stems of the tobacco plant before they have passed through any process of manufacture other than curing.

"Sale" includes a contract for sale, agreement to sell, and offer for sale; "purchase" includes a contract for purchase, agreement to purchase, and offer to purchase; and "sell" and "purchase" include larrar and exchange.

Application of this Order

3. This Order applies with respect to raw leaf tobacco grown in New Zealand during the 1953-54 season: Provided that the Tribunal may, in any case where it considers it proper to do so and subject to such conditions (if any) as it thinks fit, exempt any such tobacco from the operation of this Order.

Fixing Average Prices of Raw-leaf Tobacco to Which This Order Applies

4. (1) The average price to be paid by any tobacco manufacturer for raw-leaf tobacco to which this Order applies shall be not less than—

(a) For flue-cured leaf: 3s. 10d. per pound.

(b) For air-dried leaf: 2s. 7d. per pound.

(2) For the purpose of this clause the weight of any raw leaf tobacco shall be deemed to be its weight at the time and place of delivery by the grower to the manufacturer or to his agent in the district in which it is grown: Provided, that in any case where the grower and the manufacturer or his agent agree that the moisture-content of the leaf in any lot of tobacco is excessive, then, for the purposes of calculating the value of the lot, the weight of the lot shall be deemed to be reduced by a reasonable amount to make allowance for the excessive moisture.

5. No raw tobacco shall be sold by the grower thereof or purchased from him at less than 1s. 6d. per pound free on board ship or on board coach or free on rail at the port or railway-station which is nearest to the place at which such tobacco is grown.

6. No raw tobacco shall be sold by any person other than the grower thereof, or purchased from such person at less than 1s. 6d. per pound free on board ship, or on board coach, or on board train, or on board rail or railway-station which is nearest to the place at which such tobacco is at the time of sale thereof being held or stored.

7. Notwithstanding anything in the provisions of clauses 5 and 6 hereof, the Tribunal may, in any case where it considers it proper so to do, authorize the sale and purchase of tobacco at a price less than the price fixed by either of those clauses.
