The schedule details the area affected, specifying the portion of the road adjoining or passing through Allotments 81 and 337B, and the dates involved.

---

The Schedule section begins with a notice about the closure of a road. It states that the closure is due to an order by the Maori Land Court, which has declared the area as a Maori Reserve. The schedule outlines the boundaries of the area affected and mentions the dates and the person responsible for the declaration.

---

The SCHEDULE section is a detailed list of the streets and areas affected by the order, including Allotments 81 and 337B, and specifies the portion of the road that is closed.

---

---

The Fixing Maximum Retail Prices of Cornsacks to Which This Order Applies section outlines the maximum retail prices for cornsacks, specifying conditions such as delivery to Auckland, Wellington, Lyttelton, or Dunedin. It also mentions the price for 46 in. by 23 in. cornsacks and the conditions under which these prices may vary.

---

The Reserve Bank of New Zealand, as of 6 January 1954, had liabilities totaling £185,830,754 and assets totaling £185,830,754, with no significant discrepancies. The notice of road closure is due to an order by the Maori Land Court, affecting a specific area of public road in the Gisborne District. The schedule and provisions for controlling prices are detailed, with specific emphasis on the conditions for maximum retail prices of cornsacks and the circumstances under which extraordinary charges may be imposed.

Pursuant to the Control of Prices Act 1947, the Price Tribunal hereby makes the following Price Order:
1. This Order may be cited as Price Order No. 1580, and shall come into force on the 25th day of January 1954.
2. (1) Price Order No. 1580 is hereby revoked.
(2) The revocation of the said Price Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

Application of This Order
3. (1) This Order applies with respect to all New Zealand grown lemons (other than Meyer lemons) sold by way of retail.
(2) The provisions of this Order as to maximum retail prices shall apply notwithstanding that any such lemons are sold otherwise than by weight.

Maximum Retail Prices
4. (1) Subject to the provisions of this clause, the maximum retail price that may be charged or received by any retailer for any lemons to which this Order applies shall be computed as follows:

   (b) For lemons sold elsewhere in the North Island: At the rate of 1½ per pound.
   (c) For lemons sold in the South Island: At the rate of 1½ per pound.
(2) In respect of any lot of lemons sold by a retailer the maximum price to which the foregoing provisions of this clause is not an exact number of pounds or half-pounds, the maximum price of the lot shall be computed to the next upward halfpenny.

Notwithstanding anything to the contrary in the foregoing provisions of this Order, and subject to such conditions as may be prescribed, the Tribunal, on application by any retailer, may authorize special maximum prices in respect of any lemons to which this Order applies where special circumstances exist or for any reason extraordinary charges (freight or otherwise) are incurred by the retailer. Any authority given by the Tribunal under this subsection must apply with respect to a specified lot or consignment of lemons or may relate generally to all lemons to which this Order applies sold by the retailer while the approval remains in force.

Duty Imposed on Retailers
5. Every retailer who offers or exposes any such lemons for sale in any shop shall keep in a prominent position in such proximity to the lemons to which it relates to be obviously descriptive韭菜 a ticket, placard, or label on which shall be stated in legible and prominent characters the retail price per pound of the lemons.
