Public Trust Office, Wellington, 13 December 1954

G. E. TURNLEY, Public Trustee.
Pursuant to the Control of Prices Act 1947, the Price Tribunal hereby makes the following Price Order:

Preliminary

1. This Order may be cited as Price Order No. 1581, and shall come into force on the 17th day of December 1954.
2. (1) Price Order No. 1506* is hereby revoked.
   (2) The revocation of the said Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.
3. Notwithstanding the revocation of Price Order 1506, any approvals given under clause 9 of that Price Order after the 9th day of December 1953 shall continue to have effect as if the said Order had not been revoked.

Application of this Order

3. This Order applies to all bread referred to in clauses 4 and 5 of this Order sold in New Zealand by a wholesaler or by a retailer, but does not apply to bread sold on Stewart Island or to bread sold as part of a meal.

Fixing Maximum Wholesale and Retail Prices of Bread to Which this Order Applies

4. Subject to the provisions of this Order, the prices set out in the First Schedule to this Order shall be the maximum prices which may be charged or received for any bread to which this Order applies and which is customarily known as:
   (a) Standard White Bread.
   (b) Standard Brown Bread.
   (c) Wholemeal Bread.
   (d) Vienna Bread.
   (e) Wheat Germ Bread.

5. Subject to the provisions of this Order, the prices set out in the Second Schedule to this Order shall be the maximum prices which may be charged or received for any bread to which this Order applies and which is customarily known as Starch Reduced Bread, that is, bread in the making of which there is committed before the coming into force of this Order for each sack of flour (160 lb.) used not less than 6 lb. of dry gluten, or 18 lb. of wet gluten, and no less than 6 lb. of fat, with either dried milk or condensed milk.
6. The wholesale prices fixed by this Order apply to bread delivered to the retailer's premises. In any case where bread is not so delivered the prices shall be such as are agreed upon between the baker and the retailer or, failing such agreement, as may be approved by the Tribunal.

General

7. Except as elsewhere provided in this Order the maximum prices fixed for any bread to which this Order applies are subject to the same general terms and conditions of sale as existed immediately prior to the coming into force of this Order.
8. No additional charge shall be made for wrapping any bread to which this Order applies. Provided that the Tribunal may, and subject to such conditions, if any, as it thinks fit, on application by any wholesaler or retailer, authorize an additional charge for wrapped bread.
9. Notwithstanding anything in the foregoing provisions of this Order, and subject to such conditions, if any, as it thinks fit, on application by any wholesaler or retailer, may authorize special maximum prices in respect of any bread to which this Order applies where special circumstances exist or for any reason extraordinary charges (freight or otherwise) are incurred by the wholesaler or retailer. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of bread or may relate generally to all bread sold by the wholesaler or retailer, while the approval remains in force.
