VALUERS’ REGISTRATION BOARD OF NEW ZEALAND

LIST OF PUBLIC VALUERS AS AT 31 MARCH 1955, AND EXPIRING 31 DECEMBER 1955

**Explanation**

Column 1.—This contains the name of each valuer who at 31 March 1955 is the holder of an Annual Practising Certificate issued under section 19 of the Valuers’ Act 1948. A valuer who is registered under this Act and makes valuations for members of the public is required to hold a current Annual Practising Certificate in order to retain the full rights of registration.

Column 2.—This gives the postal address, either business or residential, as on the application for the Annual Practising Certificate.

Column 3.—This shows the classification under which the Board has accepted the valuer’s qualifications for registration. Valuation is classified only in the three main branches of rural, urban, or rural and urban. These classifications are outlined in section 20 of the Valuers’ Act 1948 as follows:

- (1) Every person so entitled to be registered as a valuer under this Act whom the Board considers competent to value farm land only shall be registered as a rural valuer.
- (2) Every person so entitled whom the Board considers competent to value only land other than farm land shall be registered as an urban valuer.
- (3) Every person so entitled whom the Board considers competent to value both farm land and other land shall be entitled to be registered as an urban valuer unless the valuer so elects.

Column 4.—This indicates the subsection of section 19 of the Valuers’ Act 1948 under which the valuer has been registered. These subsections are:

- (1) Every person who has attained the age of twenty-five years and who immediately before the commencement of this Act was a member of the New Zealand Institute of Valuers (Incorporated) shall be entitled to be registered under this Act if he makes application for registration within three months after the commencement of this Act, and satisfies the Board that he is of good character and reputation, that he has had three years’ practical experience in New Zealand in the valuing of land, and that he holds a recognized certificate as defined in the next succeeding subsection and has had not less than three years’ practical experience in New Zealand in the valuing of land within the ten years immediately preceding the making of his application; or
- (2) Every other person who has attained the age of twenty-five years shall be entitled to be registered under this Act if he satisfies the Board that he is of good character and reputation, that he has had three years’ practical experience in New Zealand in the valuing of land within the ten years immediately preceding the making of his application; or
- (3) That he has passed an examination or examinations approved by the Board and has had not less than three years’ practical experience in New Zealand in the valuing of land within the ten years immediately preceding the making of his application; or
- (4) That he has passed an examination or examinations approved by the Board and makes application for registration within three months after the commencement of this Act and makes written application that he is of good character and reputation, that he has had three years’ practical experience in New Zealand in the valuing of land within the ten years immediately preceding the making of his application, and that he is a fit and proper person to be registered as a valuer.
- (5) That he holds a recognized certificate as defined in the next succeeding subsection and has had not less than three years’ practical experience in New Zealand in the valuing of land within the ten years immediately preceding the making of his application:

Provided that the Board shall permit the registration of any other person who has attained the age of twenty-five years and who makes application for registration within three months after the commencement of this Act, who satisfies the Board that he is of good character and reputation, that he has had three years’ practical experience in New Zealand in the valuing of land within the ten years immediately preceding the making of his application, and is a fit and proper person to be registered as a valuer.

For the purposes of this section the term ‘a recognized certificate’ means a certificate, diploma, degree, or licence granted by a university, college, board, or other authority (whether in New Zealand or elsewhere), and recognized by the Board as furnishing sufficient evidence of the possession by the holder thereof of the requisite knowledge of land valuing.”

Kaitoke Public Hall Loan 1955, £600

In pursuance and exercise of the powers vested in it in that behalf by the Local Bodies' Loans Act 1926, the Hutt County Council hereby resolves as follows:

1. That the purpose of providing the principal, interest, and other charges on a loan of £600 authorized to be raised by the Hutt County Council under the above-mentioned Act for the purpose of providing for the payment of interest and repayment charges and other expenses on the Kaitoke Public Hall Loan 1955, £600, be fulfilled in the manner as hereinafter set forth, namely:

2. That a rate be levied by virtue of the provisions of the above-mentioned Act, and such special rate shall be an annual-recurring rate during the currency of such loan and be payable yearly on the 1st day of June 1955, the following special resolution was passed:

3. That, for the purpose of providing for the payment of interest and repayment charges and other expenses on the Kaitoke Public Hall Loan 1955, £600, the Wanganui-Rangitikei Electric Power Board hereby resolves as follows:

4. That, for the purpose of providing for the payment of interest and repayment charges and other expenses on the Wanganui-Rangitikei Electric Power Board's Reticulation Extension Loan 1954, of £120,000, to be raised pursuant to the above-mentioned authority, the said Board hereby makes and levies a special rate of one-eighth part of one penny (1/8d.) in the pound on the rateable value (on the basis of the unimproved value) of all rateable property of the Kaitoke Special Rating Area No. 543.

Dated at Dunedin this 4th day of May 1955.

J. K. McLeod, Liquidator.
All persons who wish to be heard in support of or objection to any objection shall notify the Town Board accordingly at least three days before that date.

The following is a summary of the subject matters of objections received by the Town Board:

(1) That land fronting the eastern side of Bay of Islands Road adjoining the Whangarei Borough boundary has been wrongly classified as a special residential district.

(2) That Lot 1, part Allotments 50 and 50h, Parish of Whangarei, adjoining the railway, has been wrongly classified for residential purposes, and should be re-classified for industrial purposes.

(3) That the proposed road shown parallel to and immediately east of the railway, which passes through property owned by the State Mines Department, and more particularly through the land works at the mouth of the State Coal Mine, together with other proposed roads and the zoning of land owned by the Crown for residential purposes in which there are mineral rights, would seriously interfere with the extraction of coal.

(4) That the level crossing of the railway line by the proposed road at approximately 131 miles 44 chains is not acceptable to the Railway Department, and that the proposed crossing would have to be by overhead bridge constructed at the expense of the Town Board.

(5) That the proposed restricted industrial zone adjoining the Whangarei Housing Block is likely to affect the value of the adjoining land to be developed by the Housing Department for residential purposes.

(6) That objection is made to the proposed through-road shown parallel to and immediately east of the railway insofar as it purports to be a proposed main highway or State highway.

(7) That the scheme fails to provide for the widening of State Highway No. 1 by equal widths on both sides so as to provide a minimum overall width of 14 chains throughout the Town Districts.

(8) That satisfactory provision for public works within the framework of the scheme has not been made and that Ordinance 6 (3) of the Fourth Schedule to the Town and Country Planning Regulations 1954 should be included in Part II of the scheme clauses.

NOTICE is hereby given that by special resolution dated 29 April 1955, the following resolution was proposed, under the provisions of the above-mentioned Acts, to execute a certain public work, namely, to take the pieces of land described in the Schedule hereto for the purpose of a public street, and to apply for an Order in Council to permit the laying-off of a street of 40 ft. And notice is hereby further given that a plan of the lands so required to be taken is deposited in the public office of the Town Clerk to the said Council, situate in Broadway, Kaiako, and is open for inspection, without fee, to all persons during ordinary office hours.

All persons affected by the execution of the said public work or by the taking of such lands who have any well-grounded objections to the execution of the said public work or to the taking of the said lands must state their objections in writing, and send the same within forty days from the first publication of this notice to the Town Clerk at the Council Chambers, Broadway, Kaiako.

NOTICE is hereby given that the Stratford Borough Council intends to take, under the provisions of the Public Works Act 1928, for the purpose of a public work, to wit, a street, the following lands:

The above lands are being taken by the Stratford Borough Council pursuant to an order made by the Town and Country Planning Appeal Board on the 31st day of March 1955 under section 47 (3) of the Town and Country Planning Act 1953. All persons affected by the execution of the said public work or by the taking of the said lands are hereby required and called upon to set forth in writing any well-grounded objections to the execution of the said public work or to the taking of such lands, and to send such writing, within forty days from the publication of this notice, to the Town Clerk, Stratford Borough Council, at his public office, Broadway, Stratford.
