The New Zealand Gazette

G. E. TURNER, Public Trustee.
Pursuant to section 12 of the New Zealand Geographic Board Act 1946, notice is hereby given of the intention of the New Zealand Geographic Board to assign the names set out in the first column of the Schedule hereto to the respective places and features set out and described opposite those names in the second and third columns of the said Schedule.

Pursuant to section 13 of the said Act, any person objecting to any such proposed name may at any time within the period of three months from the date of publication of this notice in the Gazette give to the Secretary of the Board, care of the Department of Lands and Survey, P.O. Box 8009, Government Buildings, Wellington, notice in writing of his objection, setting out the grounds of the objection.

If no objection is received by the Board within the aforesaid period of three months, the Board's decision as to any of the said proposed names will be final.

The Growth and Development of Social Security in New Zealand

A survey of social security in New Zealand from 1898 to 1949, and the most comprehensive work on the subject yet published in this country.

Of 180 pages, the book is divided into three parts—cash benefits, health benefits, and finance. Each subject is dealt with in detail and there is a comprehensive index.

The book will undoubtedly be of considerable interest to those interested in social security and social services, and will be especially valuable to University students.

Agricultural Botany

By J. S. Yeates and Ella O. Campbell.

This book supplies a long-felt want in this country by providing a simple explanation of the manner in which plants function and the conditions necessary for their growth. Wherever possible technical terms have been avoided, and those essential to a proper understanding of the subject have been fully explained. Over one hundred illustrations contribute to a clear exposition of the subject. As a result, although the book is primarily intended for use in schools and colleges, it is also suitable for farmers, orchardists, horticulturists, and home gardeners.
