A PENAL POLICY FOR NEW ZEALAND

In this brochure the problem of crime is briefly surveyed, and an outline given of the principles on which the Department of Justice acts in fulfilling its duty to provide better protection to society. The substance and the purposes of proposed changes in the law are also given.

A Penal Policy for New Zealand is commended by the Minister of Justice to all those—and it should be the concern of the whole community—who are interested in coping with what is undoubtedly a serious social problem.
