3. (1) The maximum price that may be charged or received for any retreaded or recapped tire to which this order applies that is sold ex stock shall be two-thirds of the price which the seller is authorised, pursuant to the Control of Prices Act 1947, to charge for that kind of tire if sold by retail when new.
(2) With respect to car tires the maximum prices fixed in respect thereof by subclause (1) of this clause are inclusive of the cost of fitting the tires.
4. (1) Subject to the following provisions of this clause, the maximum charge that may be made for the service entailed in the retreading or recapping, on behalf of a customer, of any tire to which this order applies shall be the appropriate charge specified in the Schedule hereto with respect to that kind of tire.
(2) The charge fixed by subclause (1) of this clause shall be reduced by the amount of the discount specified in the said Schedule when payment is made on or before the 20th day of the month next following the month in which the charge is incurred.

(4) No extra charge shall be made for rubber repairs which are made under the new tread.

5. Notwithstanding anything in the foregoing provisions of this order and subject to such conditions, if any, as it thinks fit the Tribunal on application by any person concerned, may authorise special prices or special charges in respect of retreaded or recapped tires to which this order applies where special circumstances exist or for any reason extraordinary charges (freight or otherwise) are incurred by that person. Any authority given by the Tribunal under this clause may apply with respect to a specified lot of tires or may relate generally to all tires to which this order applies sold or retreaded or recapped while the approval remains in force.
